10. WAIVER OF DAMAGES. The parties acknowledge that the Hart Intercivic Verity System and the programming of paper ballots is highly technical and that it is conceivable that despite the efforts of Galveston County it might fail during an election or might contain errors. The Entity agrees that should the electronic voting system fail, it will not make any claim against Galveston County or any of their full or part-time employees, independent contractors or agents for damages of any kind, including but not limited to any and all costs relating to an election contest and/or costs and damages incurred for having to conduct a second election caused as a result of such failure or error.

The Entity acknowledges that holding multiple simultaneous elections presents logistical problems and other problems over and above a single election. Galveston County and its employees and agents will attempt to help ensure that these simultaneous elections are conducted without error or mishap, but on occasion, errors or mishaps do occur. Accordingly, the Entity agrees that should an error or mishap occur that it will not make any claim against Galveston County, or their full or part-time employees, independent contractors or agents for damages of any kind including but not limited to any and all costs relating to an election contest and/or costs and damages incurred by the Entity for having to conduct a second election, as a result of such error or mishap.

If legal action is filed against the Entity involving its election and if Galveston County is named as a party to this legal action and the complaint is based solely on allegations made against

the Entity, the Entity shall be solely responsible for all costs and defense of that suit. In addition, the Entity shall be required to provide adequate legal counsel for Galveston County and, upon notice to the Entity, Galveston County shall be entitled to settle such claim or legal action upon terms it deems most advantageous to itself.

Galveston County is committed to ensuring that no person, on the ground of race, color, national origin, religion, sex, age, disability or Veteran status, shall be subjected to discrimination, excluded from participation, or denied the benefits of, its programs and activities.

In accordance with this policy Galveston County requires its service providers and contractors to agree that during the performance of this contract the service provider or contractor for itself, its assignees and successors will abide by the following:

Compliance with Non-Discrimination Laws and Regulations. During the performance of this contract, contractor, for itself, its assignees and successors in interest (hereinafter referred to as "contractor") agrees as follows:

- 1) **Compliance with Regulations.** The contractor shall comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, DOT) Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are incorporated herein by reference and made a part of this contract.

- 2) **Nondiscrimination.** The contractor, with regard to the work performed by it during the contract, shall not discriminate on the basis of race, color, national origin, religion, sex, age, disability or Veteran status in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
- 3) **Solicitations for Subcontractors, Including Procurement of Materials and Equipment.** In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, national origin, religion, sex, age, disability or Veteran status.
- 4) **Information and Reports.** The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by Galveston County or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the contractor shall so certify to Galveston County or the Texas Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.
- 5) **Sanctions for Noncompliance.** In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, Galveston County shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:
 - a) withholding of payments to the contractor under the contract until the contractor complies, and/or
 - b) cancellation, termination, or suspension of the contract, in whole or in part.
- 6) **Incorporation of Provisions.** The contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The contractor shall take such action with respect to any subcontract or procurement as Galveston County or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request Galveston County to enter into such litigation to protect the interests of Galveston County, and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
