KEEP LA MARQUE BEAUTIFUL

Keep La Marque Beautiful Commission

Keep La Marque Beautiful Commission hosts the annual Spring Clean-up event!

Saturday, April 13, 2024

Get those garages, houses, and sheds cleared out and bring it to us!

We will have dumpsters, as usual, for bulk trash and debris.

The Shred Truck will be back again as well. Woohoo!

TIRE TRAILER for anyone who has tires to dispose of.

NO hazardous materials (spray paint cans, gas cans, propane tanks, refrigerators, ac units, etc).

Bulk drop-off is for La Marque residents.

In regards to the shred truck, if you have materials for shredding, pleas make sure they do not have any plastic or metal in them. That include binders, plastic binding, metal coils, binder clips, paper clips, etc. These ca and do cause the truck to jam and lead to long wait times.

We will have the truck separated from the dumpsters again in the adjacen parking lot. If you would like to watch your items being shredded, you can, i you would like to just drop your items off to avoid a line, we will have commission member out to assist in those situations to help the line run a smoothly as possible.

We can not wait to see everyone!

We absolutely love hosting this event for the community!

Agreement Between

KEEP LA MARQUE BEAUTIFUL COMMISSION and LA MARQUE ECONOMIC DEVELOPMENT CORPORATION

MEMORANDUM OF UNDERSTANDING

WHEREAS, Keep La Marque Beautiful Commission (KLMBC) is committed to collaborating with La Marque EDC Revitalization Committee to work towards achieving our shared goal of revitalizing and beautifying downtown La Marque.

WHEREAS, the primary goal of the La Marque Economic Development Corporation (LMEDC) is to assist in the development of a strong, diversified economy for the City of La Marque. This can be accomplished with a multifaceted approach that consists of efforts that promote business retention, business expansion and business recruitment. In conjunction with City of La Marque, and through its revitalization fund, LMEDC contributes to revitalization projects as part of these business retention and expansion efforts.

WHEREAS, La Marque is a community committed to charting a vibrant and prosperous future for citizens who live here and businesses that operate within our city limits. La Marque is the second-fastest-growing city in Galveston County with an estimated population of 20,000. Citizens enjoy breezy coastal living with the added securing of a hurricane protection levee system. The City of La Marque has been investing time and resources in revitalization efforts for several years, as evidenced by the creation of the Renaissance District Revitalization Plan.

WHEREAS, the goal of this collaboration is to beautify the four corners of Laurel Street and 1st Street by planting and maintaining landscaping. As the beds will be on hard corners, selection of low growing plants so as not to impede driver visibility is advisable.

THEREFORE, the following terms are agreed to between the parties.

SPECIFICALLY, LMEDC will participate by:

1. Providing revitalization funds of up to $10,000 for the initial planting materials to include but not be limited to soil, soil amendments, fertilizer, plants, flowers, shrubs, mulch, covering materials, rakes, shovels, water hose, etc.

SPECIFICALLY, KLMBC will participate by:

1. Preparing and planting the beds.
2. Maintaining the beds at least every other week.
3. Covering from time to time to prevent winter damage.

The initial term of this MOU is 24 months. Extensions can happen at any time with the approval of both parties. It is understood that if for any reason KLMBC cannot continue maintenance in the future for whatever reason, at least 90 days notice is to be given to LMEDC in writing so other arrangements can be made.

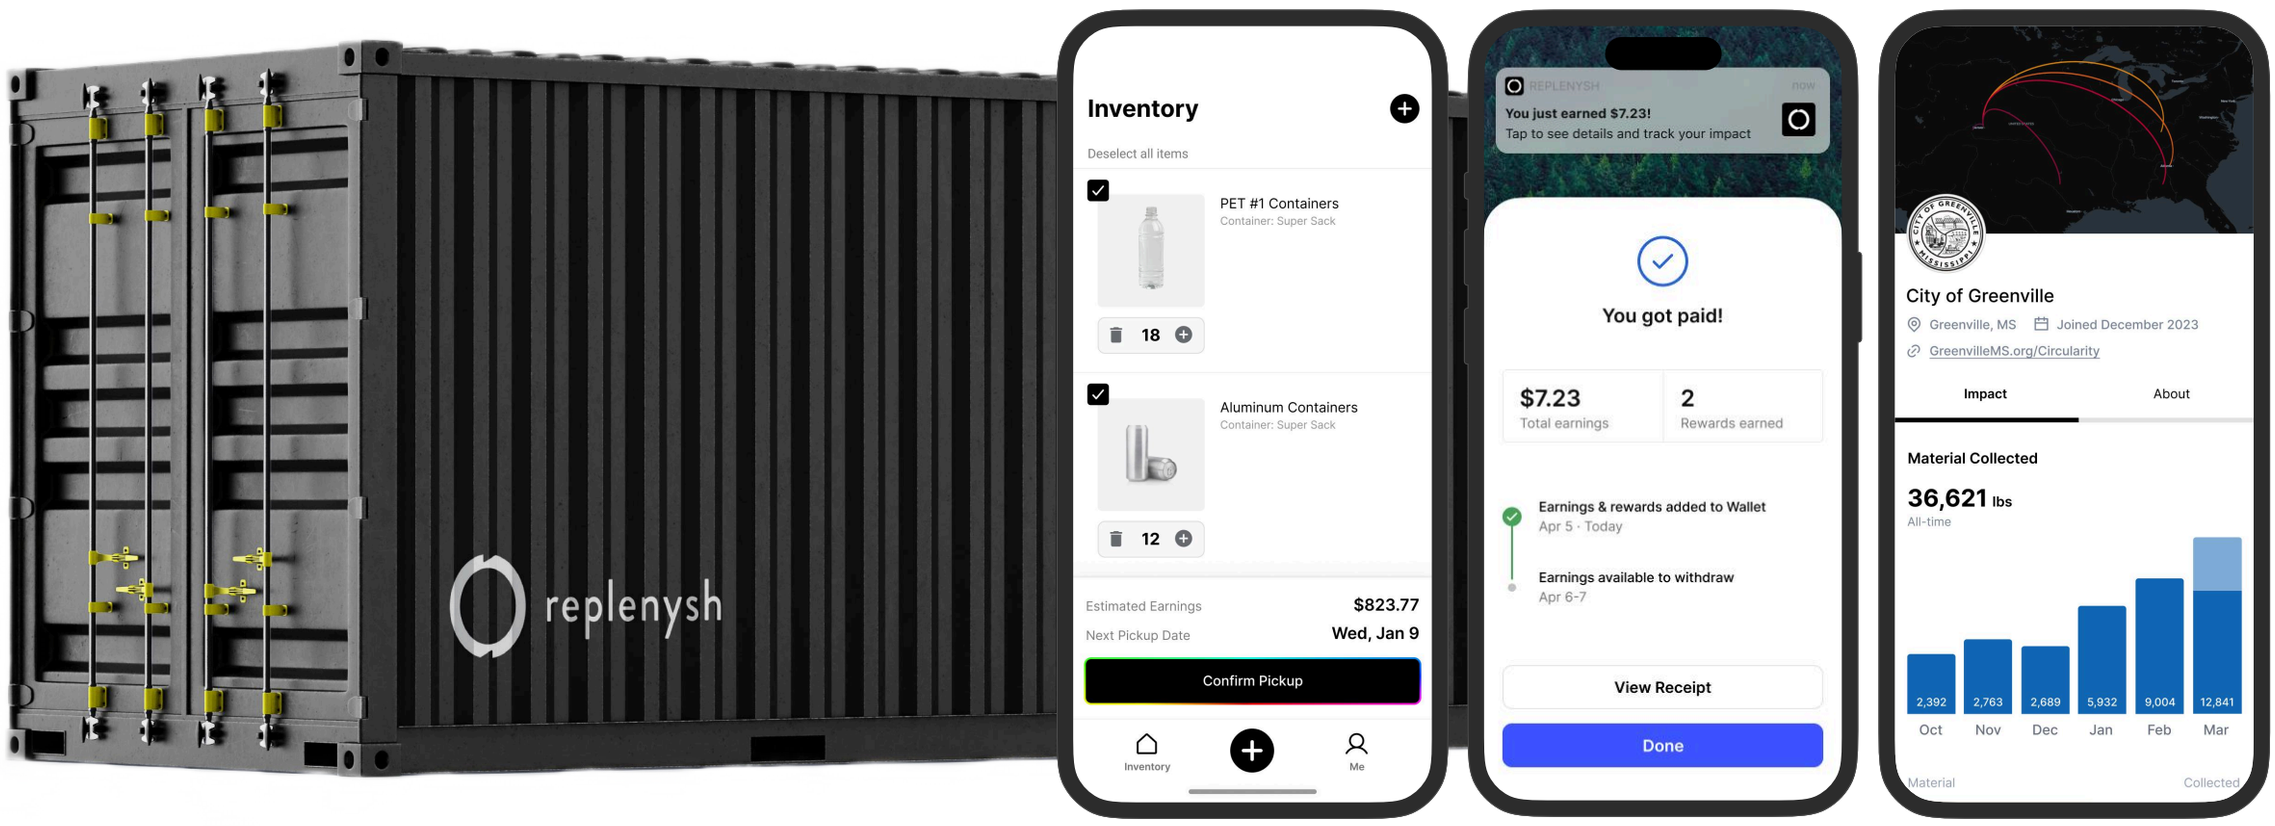
From Waste to Wealth

A Circular Blueprint for Your Community

Replenysh gives your community the tools to collect and sell recyclable materials in a new way — while engaging and building trust with your citizens.



Imagine a world where waste doesn't exist—a world where your community becomes a beacon of innovation and sustainability. Replenysh is your key to unlocking this future. We empower you to launch Circularity Centers, vibrant hubs that bring together residents, brands, and local governments. All orchestrated by our cutting-edge tech platform that turns waste into wealth.

Why Settle for Yesterday's Solutions?

Unlock Hidden Revenue: Turn your community's materials from a cost center into a profit generator. Create local jobs and stimulate your economy.

Ditch Landfills: Transform waste into valuable resources that benefit your community and the planet.

Foster Community Unity: This isn't just about recycling; it's a movement. We equip you with the tools to build a more resilient, united community.

Optimize Your Budget: Slash waste management costs and free up funds for other vital community projects. It's a win-win.

The Future is Circular. Be a Pioneer. Don't just recycle. Revolutionize. Join Replenysh and be at the forefront of the circular economy.

How it works

1. **Launch Your Circularity Center**
We're not just giving you a toolkit; we're giving you a treasure chest. Apply now to see if your community is ready to lead the future.

2. **Empower Your Citizens**
Offer a transparent, impactful way for community members to recycle. They're not just participants; they're stakeholders.

3. **Seamless Sales & Tracking**
We bring the buyers to you and track every item to its new life. All backed by our Destination Promise™.

replenysh

What to expect

Replenysh is designed to empower community leaders who want to launch and operate their own circularity center, backed by Replenysh's technology and resources.

What You Do

Provide land with utilities

At a minimum, here's what you'll need:

- Land with concrete pad (5,000 sq. ft. minimum)
- 120v electric power
- Fenced area / controlled access
- Permit(s) and insurance
- Nice to have: building/shelter, forklift, loading dock

Build your team

Running a circularity center requires, at minimum, 20 hours of labor per week. We recommend 1-2 part-time team members who can support the collection and processing of materials from community members and businesses.

Collect & sell material

Encourage residents to bring recyclables to your new Circularity Center and our software will handle the rest (including rewards from brands). When you have enough material, we'll help you sell it for the best rate and coordinate the logistics.

Grow your positive impact

With the Circularity Center as a hub of your community, we can further monetize by supporting local pickups, hosting events, and much more. Your community will be at the forefront of the transition to circularity and an inspiration to other communities around the globe.

What We Do

Get your circularity center set up

Everything you need to get your site up-and-running:

- Custom site design with dedicated project manager
- Projected P&L for detailed analysis
- Shareable Project Timeline & Planning Tools
- Equipment: Storage Container, Pallet Jack, Floor Scale, Bins

Training and support

You'll feel confident with our hands-on approach:

- A complete Operating Manual for all activities
- In-person equipment training
- Virtual team training
- Access to Replenysh Academy educational videos
- On-demand support

Provide a comprehensive toolkit

We give you the tools (digital buyback, inventory, materials marketplace) you'll need to run a smooth and rewarding operation. Our network of buyers ensures you always have a market for the material you collect and we'll even handle the logistics coordination for you.

Share best practices

Replenysh brings 5+ years of logistics and technology experience in bringing circularity to communities nationwide, while working with some of the largest brands on the planet like PepsiCo, Walmart and Ball Corp. We're here to ensure you succeed long-term.
