From Waste to Wealth

A Circular Blueprint for Your Community

Replenish gives your community the tools to collect and sell recyclable materials in a new way — while engaging and building trust with your citizens.

Imagine a world where waste doesn't exist—a world where your community becomes a beacon of innovation and sustainability. Replenish is your key to unlocking this future. We empower you to launch Circularity Centers, vibrant hubs that bring together residents, brands, and local governments. All orchestrated by our cutting-edge tech platform that turns waste into wealth.

Why Settle for Yesterday's Solutions?

Unlock Hidden Revenue: Turn your community's materials from a cost center into a profit generator. Create local jobs and stimulate your economy.

Ditch Landfills: Transform waste into valuable resources that benefit your community and the planet.

Foster Community Unity: This isn't just about recycling; it's a movement. We equip you with the tools to build a more resilient, united community.

Optimize Your Budget: Slash waste management costs and free up funds for other vital community projects. It's a win-win.

The Future is Circular. Be a Pioneer. Don't just recycle. Revolutionize. Join Replenish and be at the forefront of the circular economy.

How it works

- 1 Launch Your Circularity Center**
We're not just giving you a toolkit; we're giving you a treasure chest. Apply now to see if your community is ready to lead the future.
- 2 Empower Your Citizens**
Offer a transparent, impactful way for community members to recycle. They're not just participants; they're stakeholders.
- 3 Seamless Sales & Tracking**
We bring the buyers to you and track every item to its new life. All backed by our Destination Promise™.

What to expect

Replenish is designed to empower community leaders who want to launch and operate their own circularity center, backed by Replenish's technology and resources.

What You Do

Provide land with utilities

At a minimum, here's what you'll need:

- Land with concrete pad (5,000 sq. ft. minimum)
- 120v electric power
- Fenced area / controlled access
- Permit(s) and insurance
- Nice to have: building/shelter, forklift, loading dock

Build your team

Running a circularity center requires, at minimum, 20 hours of labor per week. We recommend 1-2 part-time team members who can support the collection and processing of materials from community members and businesses.

Collect & sell material

Encourage residents to bring recyclables to your new Circularity Center and our software will handle the rest (including rewards from brands). When you have enough material, we'll help you sell it for the best rate and coordinate the logistics.

Grow your positive impact

With the Circularity Center as a hub of your community, we can further monetize by supporting local pickups, hosting events, and much more. Your community will be at the forefront of the transition to circularity and an inspiration to other communities around the globe.

What We Do

Get your circularity center set up

Everything you need to get your site up-and-running:

- Custom site design with dedicated project manager
- Projected P&L for detailed analysis
- Shareable Project Timeline & Planning Tools
- Equipment: Storage Container, Pallet Jack, Floor Scale, Bins

Training and support

You'll feel confident with our hands-on approach:

- A complete Operating Manual for all activities
- In-person equipment training
- Virtual team training
- Access to Replenish Academy educational videos
- On-demand support

Provide a comprehensive toolkit

We give you the tools (digital buyback, inventory, materials marketplace) you'll need to run a smooth and rewarding operation. Our network of buyers ensures you always have a market for the material you collect and we'll even handle the logistics coordination for you.

Share best practices

Replenish brings 5+ years of logistics and technology experience in bringing circularity to communities nationwide, while working with some of the largest brands on the planet like PepsiCo, Walmart and Ball Corp. We're here to ensure you succeed long-term.

Good morning, KLMBBC Board:

I spoke to a resident today who received a code warning about her property. She is legally blind and has trouble maintaining her property for obvious reasons. She asked if we had a program that helped people who are disabled maintain their property if they are unable to do so. I know we have talked about a program such as this in the past. I asked and she said, it would be ok to share her number with you. Her name is Susie Perrin and she can be reached at 409-739-0472. Can you all please reach out to her and let me know your thoughts on such a program for her and others who may be in this predicament.

Thanks,

Cesar Garcia
