City Clerk

Dear City of La Marque,

I am proposing two mural projects to enhance and beautify our community. The first proposal is a community-themed mural for the exterior of the local police station, showcasing various aspects of nature and recreation. This mural will highlight the beauty of our local environment and encourage outdoor activities, promoting a healthy and vibrant lifestyle the second proposal is a reading-themed mural for the exterior of the local library, aimed at celebrating the joy of reading and fostering a love for literature among residents of all ages. This mural will create a welcoming atmosphere and inspire learning and imagination. I believe both projects will not only beautify these public spaces but also strengthen community pride and cohesion.

I typically charge a rate of \$25 per square foot for my residential and commercial murals. However, because this project is for the city and represents a cause I deeply believe in, I will significantly discount my rate to a budget that will primarily just cover the cost of paint and materials. I am passionate about contributing to the community and believe that these murals will bring substantial value by highlighting the need for local libraries, as well as the beauty of our natural surroundings, and promoting community pride. It is very important to me to use my art to make a positive impact on the community, and I am committed to ensuring that these projects benefit the residents of La Marque.

My quotes for the project are as follows

Library Mural : approximately 720 sqft priced at a rate of \$2.50 per sqft, totaling \$1800 for the entire project.

Police Station Mural: approximately 275 sqft priced at a rate of \$5.50 per sqft, totaling \$1500 for the entire project.
