Tree City La Marque Certification

The Tree City USA program was founded in 1976 to celebrate towns and cities committed to growing their urban canopy. Led by the Arbor Day Foundation, with partners at USDA Forest Service and National Association of State Foresters, it provides the foundational framework necessary for communities to manage and expand their tree cover. Program applications are completely free. Many cities renew their Tree City USA status every year, making them eligible for a Growth Award and other urban forestry opportunities.

STANDARDS:

1. Tree Board or Department *(Delegating responsibility for city- or town-owned trees is the first official step to becoming a Tree City. By forming a tree board or department, cities can create a more organized and effective urban forestry plan)*

- State's urban and community forestry coordinator, may be a professional forester/arborist, an entire forestry department or a tree board (*Mac Martin, State Forestry Coordinator; Tim Cool, Tree Arborist*)
- Group of volunteer citizens charged by ordinance with developing and administering a tree management program (*La Marque Parks Board, Keep La Marque Beautiful Commission, La Marque Public Library, La Marque Garden Club and Community Partners*)
- Legally responsible for the management of the community's trees (*City of La Marque, La Marque City Council and La Marque Economic Development Corporation*)

2. Tree Care Ordinance *(A public tree care ordinance assigns clear authority over public trees and provides clear guidance for planting, maintaining, and/or removing trees from streets, parks, and other public spaces)*

- Establishes a tree board and gives it responsibilities (*City of La Marque, La Marque City Council, La Marque Parks Board, Keep La Marque Beautiful Commission, La Marque Public Library, La Marque Garden Club, La Marque Economic Development Corporation, Tim Cool, Tree Arborist and Community Partners*)
- Guidance for planting, maintaining and removing trees on public property (see ordinances attached)
- Provides an opportunity to set a good policy that is legally enforceable (see ordinances attached)

THE FOUNDATION OF URBAN FORESTRY PROGRAM DEVELOPMENT

The Tree City USA program has helped more than 3,600 communities across the country build out their urban forests. Recognition forms the base layer for five different areas of growth, including expansion of personnel, financial investment, defined policies and plans, and engagement with residents.

GROWTH AWARD QUALIFYING ACTIVITIES

TREE CITY USA®
An Arbor Day Foundation Program

STANDARDS FOR RECOGNITION

To receive recognition, a community must meet four core standards for its public trees:

✓ Standard 1: Form A Tree Board Or Department

Delegating responsibility for city- or town-owned trees is the first official step to becoming a Tree City. By forming a tree board or department, cities can create a more organized and effective urban forestry plan.

✓ Standard 2: Establish A Tree Care Ordinance

A public tree care ordinance assigns clear authority over public trees and provides clear guidance for planting, maintaining, and/or removing trees from streets, parks, and other public spaces.

✓ Standard 3: Maintain A Community Forestry Program With An Annual Budget Of At Least \$2 Per Capita

Your community most likely already spends at least \$2 per capita on the planting, care, and removal of trees. This is intended to demonstrate an ongoing investment into your public trees.

✓ Standard 4: Proclaim and Observe Arbor Day

Celebrating Arbor Day and passing an official holiday proclamation helps create pride for your city's entire urban forestry program.

BENEFITS OF RECOGNITION

By becoming a Tree City, your community will:

- Receive flags, signs, and other materials to proudly display your award
- Educate residents about the value of trees and green space
- Gain national recognition for your commitment to environmental stewardship
- Create a cleaner, healthier, and more beautiful urban landscape

GETTING STARTED

Interested in joining, but not quite sure where to begin? It's as simple as following these five steps!

1. Make the case to friends and leaders in your community
2. Contact your state's urban and community forestry coordinator
3. Work together to fulfill the four Tree City USA standards
4. Celebrate Arbor Day
5. Submit your free application!

Site Information: General Event Safety and Information

Registration, Liability Waiver, and Photo Release Form:

Every participant must sign a registration form that includes a liability waiver section and photo release before participating in the cleanup. Minors must have the form signed by their parent or guardian, not just a chaperone. Registration forms can be downloaded in English or Spanish from the Trash Bash® [website](#) so that you can print the form, complete it in advance, and bring it with you. This is especially recommended for larger groups to help speed up the registration process.

What to wear/bring:

Trash Bash® will happen rain or shine unless inclement weather poses a danger to participants. Conditions can be slippery, muddy, or overgrown, and temperatures can range from cold to warm. It is recommended that you bring the following items: pants, sunscreen, hats, insect repellent, rubber boots or sturdy closed-toed shoes you don't mind getting dirty, and rain gear. NO sandals or flip-flops. Volunteers wearing inappropriate footwear will not be allowed to participate.

Trash NOT to pickup:

Do not pick up medical waste, 55-gallon drums or other sealed closed or sealed containers, hazardous materials, broken glass, partially buried items, or heavy items requiring more than one person to lift it. Tell a site organizer the location of the item, and the proper authority will be called for their collection.

You can watch a safety video [here](#).

Restrooms:

Trash Bash® is an outside event, and at most cleanup sites the restroom options will consist of port-a-potties with handwashing stations. In a few locations, such as some of the parks, additional facilities may be available but cannot be guaranteed. Individual site contacts may have more specific details if needed.

Accessibility:

Trash Bash® is an outdoor litter cleanup on and around the banks of our local waterways. If you have any mobility or accessibility concerns about a site, it is best to contact the specific site coordinator to discuss.

What is provided for volunteers at Trash Bash®:

Supplies

Trash Bash® cleanup locations provide volunteers with gloves and trash bags. Trash grabbers are available but are limited and are not provided to every individual. If you have your own gloves or trash grabbers you prefer to use you may bring them with you.

T-shirt

Trash Bash® t-shirts are available at registration the morning of the event on a first-come first-serve basis.

Lunch/Drinks

All volunteers are invited to stay after the cleanup for a free lunch. Lunch usually consists of hot dogs, chips, and cookies. Water is available throughout the event. Individual sites may have additional beverage options. As Trash Bash® is an outdoor event, lunch will also be served outside, usually at the registration location.

Visit www.TrashBash.org for information on the event, safety, and the required waiver.

Report Your Data to the Texas Litter
Database

Submit Data: Cleanup Location

Enter an address or coordinates, find the location of your cleanup, and **draw on the map** the exact location of your cleanup

Required:

- Separate report for each cleanup location
- Litter clean ups ONLY
 - No citywide collection events, recycling drop-offs, junk collection from private property, etc

Where did you complete the cleanup?*

Use the tool below to draw a polygon around the **area covered by the cleanup**. Zoom in to see park boundaries and landmarks. Do your best approximation, it doesn't have to be perfect!

Click the white icon on the top right of the map, then click at each corner of your polygon. Double-click to finish the shape.

Keep Texas
Beautiful

Cleanup Location: Do!

Example: Park Cleanup

In this example, volunteers cleaned up the entire neighborhood park, and a few volunteers ventured across the street and into the neighborhood and picked up litter on both sides of the street

Notice: Volunteers did not pick up litter at private homes, so polygon is drawn around **street only**

Keep Texas
Beautiful

Cleanup Location: Don't!

Example: Citywide Cleanup Day

In this example, a citywide event was held and volunteers cleaned up different locations across the city

Note: a separate report is required for each cleanup location; reports incorrectly submitted will be rejected and must be correctly submitted by the due date

Perimeter: 44.8 Miles Area: 90,835.83 Acres

PLANNING YOUR CLEANUP EVENT
Keep Texas Beautiful
Help your community, restore your environment, and make a lasting impact.
6-8 Weeks Before the Event

01. Define Your Goals & Objectives

- Don't set too many goals. No more than 3-5.
- Be specific. (e.g., "Pick up 100 lbs of trash" vs. "Clean up the park")
- Identify a specific geographic area (e.g., "Roadside cleanup along Highway 100")

02. Secure Permissions and Permits

- Contact local authorities for required permits.
- Evaluate compliance with local ordinances.

03. Assemble a Planning Team

- Assign roles: event coordinator, volunteer manager, safety officer, etc.

04. Set a Budget

- Estimate supplies (e.g., bags, gloves, water, etc.)
- Identify potential sponsors or donors.

05. Partner with Local Organizations

- Collaborate with community groups, schools, or businesses for resources and volunteers.

Why do you think this home or business deserves to be named Yard of the Month?	Candy Doggett, Cassidy and Shane Watson and Jodee Cornish built this awesome snowman in the front yard on Lake Road for all of the neighbors and citizens to see. This guy was over 7ft and lit up. What a great way to get the neighborhood and neighbors together to enjoy the snowday. We need show and promote more good things like this about our city and awesome citizens. Many photos on Facebook.
