4. REPORTS

4.I. Parks and Natural Areas 2024 Awards Ceremony - *ITEM TABLED 03.20.2025*
NO DISCUSSION.

4.II. Public Works Update : Amanda Hobby

Assistant Public Works Director Hobby stated that Hollywood Construction won the bid for the football field renovation and the City is working on establishing their account and purchase order.

Finance Director Turner updated the status of all park grant financials. She noted that the \$10,000 grant proceeds will have an account to track expenditures and will be under Fund 81. She also stated that the Parks Board has \$21,946 under Fund 81. Chairperson Bock questioned the amount and stated that the board had not spent \$9,000 throughout the current fiscal year. Ms. Turner reviewed her figures and shared that the board should have roughly \$27,000 in Fund 81.

Contracted Grant Writer Alice Ashley stated that the city received \$10,000 from the Southwest Coca-Cola beverage company. This is an environmental grant to teach the community about recycling. Assistant Public Works Director Hobby will be pricing commercial recycling cans, and needs to place the Coca-Cola logo on the grant-funded cans.

Chairperson Bock asked Ms Alice Ashley about the bike audit grant of \$2500.00 as

that money is still in their account. Ms. Ashley noted that it can be spent on striping, crosswalks, and signage.

Vice Chairperson Griffin asked about utilizing the grant for bike giveaways.

Board member Wev made a motion to fill out the application for the Monarch Butterfly Waystation at Walter Fiegle Park and cover expenses not to exceed \$150.00. Board member Limones seconded. **MOTION CARRIED UNANIMOUSLY.**

8.II. Participating in the 2025 Parks for Pollinators BioBlitz

Vice Chairperson Griffin shared that the Parks Board previously participated in the "Parks for Pollinators Bio Blitz". She explained how the program works, referencing a special kit and the ability to add the La Marque Parks as a link to the Parks for Pollinators Bio Blitz website. She also indicated how it can impact the community by helping to build a database to identify different birds, butterflies, and plants through pictures provided by the members of the community. **NO ACTION TAKEN.**

9. REQUESTS AND ANNOUNCEMENTS

The Parks Board requested that a proposed draft for the Parks Board budget be created so that the board can make recommendations on how to spend the funds. They also request a discussion item to address a Solar Light project for Mac McGaffey Highland Bayou Park. The Board also welcomed Robert Young to the board.

Board member Limones requested a financial report to be included in the next meeting. She also requested to discuss no-match grant applications at the next meeting.

Board member Wev requested an update on Mahan Park football field.

Good afternoon Gabriel!

The La Marque Parks Board is interested in placing 2 murals on the left and right side of our Parks Pavilion.

We would love for you to provide 2 renderings and estimate for each mural.

*left side facing basketball courts: La Marque known as "Buttermilk Junction", image of Mac McGaffey Chairman of Parks Board, Home of La Marque Bayou Fest, State BBQ Cookoff

*right side facing Playground: Recreational Play and Wildlife

Please indicate what will be covered in the price to include prep work and mural maintenance recommendations.

Please contact me should you have any questions.

There's a lot of potential for these walls... depending on your budget I could do a simpler yet bright, festive, playful design for \$5500 per wall, which includes supplies. With more funding (8 - 10,000) I could draft up murals with more detail, more action (figures playing games etc) and a denser composition. I can forward a file of past works if you like?

Cheers,
Catherine

Good afternoon Catherine!
The La Marque Parks Board is interested in placing 2 murals on the left and right side of our Parks Pavilion.

We would love for you to provide 2 renderings and estimate for each mural.
*left side facing basketball courts La Marque known as "Buttermilk Junction", image of Mac McGaffey Chairman of Parks Board, Home of La Marque Bayou Fest, State BBQ Cookoff, Fishing and Kayaking

*right side facing Playground and Recreational Play and Wildlife

Please indicate what will be covered in the price to include prep work and mural maintenance recommendations.

Please contact me should you have any questions.

Once I know this is being added back to the Agenda I will contact Justin for it.

I'm not wasting his time again by asking for a rendering when it's not going on the Agenda.

Thank you Amanda Butterfly!

Question: If we did one mural now \$1,700 and another mural later \$1,700 is a bid still required. (Board approved)

Otherwise I will be happy to check with 2 other Artists. Gabriel and Catherine Stroud

Good Morning, Tonia!

Due to our purchasing policy, any purchase over \$3,000.00 requires three (3) quotes.

Is there any way that we can reach out to two more local artists to obtain quotes with renderings for the May meeting?

I know that we could probably reach out to Gabriel who did the artwork at Bayou Park for a quote as well, but we will need to find one more.

Renderings are required in order for a proper vote to take place.

Have a wonderful day!

AGENDA ITEM DESCRIPTION:

STAFF BRIEFING:

N Zone Sports – Houston Bay Area is a coed youth sports league offering a **fun-first, inclusive** experience for children ages **3–12**, with no tryouts and a focus on **recreation and healthy competition**. Weekly sessions emphasize **core values** like teamwork, sportsmanship, effort, and self-control, with every child recognized through **Value Awards** and end-of-season **Achievement Awards**.

They currently run 8–10 week seasons in **Soccer, Flag Football, T-Ball, and Cheerleading**. They also offer **camps, clinics, personal training, and preschool/homeschool programs**, including **N Zone Junior**, a weekday program for toddlers taught in preschools.

Their exclusive service area spans from **Pearland to Galveston**, and we're seeking to **expand into La Marque** by partnering with **Mac McGaffey Highland Bayou Park**. We request **exclusive Saturday use of open fields** starting **June 21 – August 23** for an 8-week Soccer & Cheer season and plan for additional fall (Nov–Dec) and spring (Mar–May) seasons.

We will ensure continued public access to the park, avoid conflicts with pavilion rentals, and support city promotion efforts through online platforms. With a database of **3,000+ trusted families**, we are confident in our ability to **drive traffic, boost community engagement**, and establish a **long-term, impactful presence** in La Marque.

Proposal for Partnership

This is a proposal for partnership between the following entities:
SLAMMMD LLC DbA N Zone Sports Houston Bay Area
& City of La Marque Parks and Facilities

Proposal Prepared By: Savannah Jones Romero
On Behalf of N Zone Sports Houston Bay Area
OUR COMPANY

We are N Zone Sports – Houston Bay Area. We are a **Fun-First**, No Try-out, Everyone Plays, Coed League that is a balanced blend of recreation and healthy competition. We pride ourselves on the implementation of our core values throughout all programs. Each week has a focus value of Teamwork, Sportsmanship, Effort, or Self-Control, and every week all coaches award a player (or two) with a Value Award recognizing a child of displaying that week's value. By the end of the season – every player will have received a value award. On top of this – we believe in rewarding the hard work and dedication that our player's show consistently throughout the season. Therefore – Every player will also receive an achievement award if they do not qualify for the championship trophy game. *Youngest divisions do not hold championships & all players receive trophies.

Our league makes team sports available to children ages 3 - 12 in the form of once-a-week leagues for a duration of an 8- or 10-week season. Currently offering co-ed T-Ball, co-ed Soccer, co-ed Flag Football, and Cheerleading - our league held at Clear Lake Park boasts over 250 athletes per 8-week season. We have two 8 - week, and one 10 - week season there each calendar year. We can also host seasonal camps, clinics, personal training sessions, and preschooler or homeschooler focused programs. The possibilities with us are endless!

In addition to our leagues, we have N Zone Junior. This program is designed for toddlers and held during the week at Preschools within our territory. We teach coordination, movement, balance, & the fundamentals of multiple team sports. We have found that early exposure to team sports fundamentals positively influences kids' development physically & socially. We can provide a N Zone Juniors Program to the public if desired.

Our exclusive territory reaches from Pearland through Pasadena east to Kemah, South all the way to Galveston, & back up through Alvin. And we have barely scratched the surface of what N Zone Sports can offer the kids in our community. This is our third year having the League City and Clear Lake area to call home to our sports league program, and we are avidly looking to expand that offering to the southern part of our territory. We believe that Mac McGaffey Highland Bayou Park provides the perfect location to do so. This facility provides easy access to I-45 for those wanting to travel from Galveston and Dickinson – while being easily accessible to those from Texas City, Hitchcock, Santa Fe, and of course – La Marque!

PURPOSE

With this partnership, we would like to grow our brand recognition while expanding the reach of our services. We would like to have league exclusivity at Mac McGaffey Highland Bayou Park Open Field Areas on Saturdays to hold our programs. We are also seeking to use any tools available through the city to help promote these leagues locally through La Marque Parks & Facilities web portals or email databases.

We acknowledge park access is for public use & will make sure the community still has free use of the facilities without conflict. We do not need regular use of the pavilion – and will not impede on any rentals of the pavilion. Our partnership will also show that the City of La Marque is making strides to have a positive impact on local youth by allowing us to provide our all-inclusive sports program to this area.

Our partnership has potential for major growth due to us having over 3,000+ families who are in our current database that already trust us & will trust when we show our efforts & initiatives to drive more traffic to Mac McGaffey Highland Bayou Park. We guarantee you will see the impact we will bring, while this partnership will give us the assurance that N Zone Sports – Houston Bay Area has a facility to call “HOME”.

We would like to start showing you our drawing power to the community by using the open field space every Saturday from June 21st through August 23rd by hosting an 8-week Soccer and Cheer Season for kids ages 3 – 12, this includes an added week in the event of a rain out. We are estimating 100 kids minimum to be registered in this league, and that is on the low end since we are already into April and have not yet begun marketing. To promote this initial league at a minimum adequacy – we would need approval by April 19th. Outside of that approval date – we may need to push the beginning and ending dates. I believe there was an event planned for July 5th already – we will schedule a bi-week for that Saturday, so that we do not create a scheduling issue.

We are aware that the park is closed for rentals the entire month of October. We would like to host an 8 week Fall Soccer, Cheer, and Flag Football season due to this closure – For the Saturday Dates November 1st – December 27th. (This includes a 9th Saturday for possible rain reschedules)

We would continue into a Spring 2026 promotion for Soccer, flag-football, & Cheer for the dates of March 21st – May 16th (This includes a 9th Saturday for possible rain reschedules)

SUMMER 2026	Dates TBD
FALL 2026	Dates TBD
SPRING 2027	Dates TBD

TERMS

We would like to offer a partnership that would be beneficial. As stated in purpose, we are looking to grow together as a part of the community and provide a long-term home for our community's youth through N Zone Sports. We would like to agree to the following terms.

- We agree to a \$4 return on every child registered in the program to play at Highland Bayou Park. To be paid out within 14 days after the season's Opening Family Day and paid based on final registration count. Average enrollment is 200-300 kids per season when at least 2 sports are promoted.
- We will reserve the right to advertise at the hosting park without bothering families but to bring awareness.
- We will be an exclusive youth sports partner to the City of La Marque at the Mac McGaffey Highland Bayou Park facility and will not work with competitor leagues. (including but not limited to: i9 Sports, Skyhawks, Soccer Shots, HTX, FFPS)
- We will line all our own soccer fields, provide all equipment for practices and games, and will remove all equipment after all scheduled N Zone Sports Events. The only request is that the fields are mowed at a frequency that keeps the grass levels at an acceptable height for play, and that the park is sprayed for mosquitoes when necessary
- We would like to hold the ability to invite food and beverage vendors to the fields during league play. Given that the vendors obtain the proper permitting necessary to do so.
- We would like to hold the ability to invite league sponsors and local businesses as vendors to participate in the Opening Family Day Activities. (3 per year)
- We will help promote our partnership by adding the City of La Marque Emblem to our printed and online flyers, and on uniforms if requested.
- We will gladly partner with the city to bring sports fields, or any of our carnival style games to city or school district events if given a minimum 21- day notice of the date and items being requested.
- We will not impede on pavilion rentals and will make sure that our parents and participants respect those who have reserved the right to be there.
- We will do our due diligence in maintaining the facilities while in attendance and will leave the facilities in the same (or better) condition as initially presented.

We are happy to discuss any additional terms the City would like to present. We would also be interested in discussing use of the baseball field at Mac McGaffey if we are able to eventually get the field in good shape, or additional use of any indoor facilities available for basketball, volleyball, indoor soccer, and cheer programs in the future.

This agreement will be valid for a term of 2 years. From the dates of April 19th, 2025, to April 19th, 2027. The ability will remain to review terms of partnership during this time if both parties agree to new terms.

Combining \$2,500 grants with additional resources — such as webinars, cohort learning opportunities, up to two hours of one-on-one coaching with leading national organizations and AARP publications — this grant opportunity accepted applications for projects that benefit residents (especially those age 50 and older) in the following categories:

- **Bike Audits:** Implementing bike audit assessments to enhance safety and bike ability in communities (especially for people age 50-plus), with support from the [League of American Bicyclists](#) and using the [AARP Bike Audit Tool Kit](#).
- **HomeFit® Modifications:** Implementing education, simple home modifications and/or easy home safety and accessibility solutions to make "lifelong homes" (especially for people age 50-plus), with support from the [RL Mace Universal Design Institute](#) and using the [AARP HomeFit Guide](#).
- **Walk Audits:** Implementing walk audit assessments to enhance safety and walkability in communities (especially for people age 50-plus), with support from [America Walks](#) and using the [AARP Walk Audit Tool Kit](#).

See the [2024 AARP Community Challenge](#) page to learn about this year's three grant opportunities: Flagship Grants, Capacity-Building Microgrants, Demonstration Grants.

If a grantee has a website or online presence, its name appears in blue and is hyperlinked.

Grants in Support of Bicycling

ALABAMA

- **Montgomery:** [Montgomery County Commission](#)
This project will engage volunteers to conduct two bike audits evaluating safety near Montgomery Whitewater park. County officials will analyze the findings and work toward implementing improvements.

More 2024 Lists

- [Demonstration Grants](#)
- [AARP Community Challenge Grantees](#)

ALASKA

- **Anchorage:** [Chugach Mountain Bike Riders](#)
Ten older adult riders will conduct bike audits on the trails at and around the community's most popular park. Three audits will identify work needed to accommodate tricycles and other adaptive cycles. The other two audits will identify safe connections on busy access routes.

ARIZONA

- **Cottonwood and Clarkdale:** [Yavapai County Community Health Services](#)
The grantee will conduct bike audits to inform efforts to add safe bike lanes along Cottonwood's roads. A high percentage of the city's cyclists are age 50 or older

ARKANSAS

- **Pine Bluff:** [City of Pine Bluff](#)
The city will conduct three bike audits to determine where to add bike lanes, as the current absence of such lanes puts cyclists at risk. The project will specifically invite older adult volunteers to weigh in.

CALIFORNIA

- **Rancho Cordova:** [Sacramento Area Bicycle Advocates](#)
This project will conduct a bike audit of Rancho Cordova's first-ever roundabout project, followed by a meeting with city public works staff to discuss findings and next steps.
- **San Diego:** Webster Heights Community Development Corporation
This project will invite older volunteers to participate in bike audits along a multi-use path to identify possible safety improvements for the route. Participants, residents and city officials will then meet to discuss how the audit's findings.

COLORADO

- **Alamosa:** [San Luis Valley Great Outdoors](#)
This project will host community bike audits to develop strategies to encourage safe bicycle use. The grantee will partner with a local older residents' group to identify destinations for the audits.

GEORGIA

- **Brunswick:** [Bike Walk Golden Isles](#)
This project will recruit older adults to participate in bike audits along the path of a proposed multi-use trail. Feedback from the audits will inform public meetings with residents and government officials.

ILLINOIS

- **Arlington Heights:** [Northwest Hispanic Chamber of Commerce](#)
This project will invite older adults to participate in bike audits along a multi-use path. They will help identify safety and accessibility concerns, ensuring the path is welcoming to residents of all ages. The bike audits will also identify possible locations for bike lanes, with the goal of connecting the north side of town to two grocery stores on the south side.
- **Jerseyville:** [City of Jerseyville](#)
Bike audits will identify possible locations for bike lanes, with the goal of connecting the north side of town to two grocery stores on the south side. The organization will recruit older adults will be recruited to participate in the audits.

MASSACHUSETTS

- **Merrimac:** [Merrimac Senior Center](#)
Older adult volunteers will conduct a bike audit focused on areas they frequent. The audit will assess the condition of sidewalks and paths and inform efforts to implement an e-bike program.

NEW MEXICO

- **Santa Fe:** [Bike Santa Fe](#)
A series of bike audits will evaluate safety and accessibility at intersections and along city streets. The findings will help improve connections to multiuse trails, since many streets lack well-maintained, protected bike lanes.

NORTH CAROLINA

- **Raleigh:** [Oaks and Spokes](#)
This project will introduce annual bike audits in several Raleigh neighborhoods where many older adults live. The organization will recruit adults age 50 and older to help gather data, plan the audits and advocate for safer biking conditions: [Project Video](#)

OHIO

- **Lancaster:** [Fairfield County Health Department](#)
Two bike audits will identify needed improvements along a path linking a high school and a community park in Fairfield. The county will share the results with city officials to guide future planning.
- **Ottawa:** [Go Ottawa](#)
Volunteers will conduct bike audits along popular bike commuter routes and potential future trails. The audits will result in recommendations for making walking and biking safer.

PENNSYLVANIA

- **Hatfield:** [Greater North Penn Area Transportation Management Association](#)
A series of bike audits will identify appropriate locations for new bike lanes, repair stations, bike racks and signage. Audit participants, residents and municipal leaders will meet to discuss the results and recommendations for new bike infrastructure.

TEXAS

- **La Marque:** [City of La Marque](#)
Three bike audits on multiuse paths will focus on safety for older cyclists. The audits will identify hazards and barriers to be addressed in future planning efforts.
- **Richmond:** [Fit Houston](#)
A series of bicycle and tricycle audits will evaluate travel routes between local senior centers. Meant to support the rollout of adult tricycle lending libraries, the audits will address safety concerns along a system of roads and park trails.
