The Budget Process

The City of La Marque's Home Rule Charter provides for the submission of the budget to the City Council by the City Manager by August 1st. The City's Fiscal Year runs from October 1 to September 30.

The following information provides a brief overview of the steps taken to prepare the City's annual budget. Please keep in mind that this is a simplified version of a complex process that is a combined effort of members of each of the City's departments and requires an extensive period of time to complete. Both revenues and expenditures are subject to change until the meeting when the City Council officially adopts the budget. Likewise, the budget calendar serves as an approximate timeline and the events may not always occur at the exact time indicated.

The annual budget is prepared under the direction of the City Manager. Each department Director formulates a base budget for each of the departments included in their division. Base budgets include costs related to all existing general services, contractual services and other expenses. Directors also prepare supplemental requests that provide a separate set of expenditures required to provide a new service, increase staffing levels, or purchase new equipment. Once base and supplemental requests are prepared, the directors submit their budgets to the Finance department. The Finance Director calculates personnel related budgets.

The Finance department compiles the information submitted, along with the revenue estimates, for review by the City Manager. Meetings are then held with the department directors to review and revise. The proposed budget document is prepared and then submitted to the City Council no later than August 1st. Shortly thereafter, a budget workshop is held for the Staff and City Council to review and discuss the proposed budget. Tax rate calculations and all of the related notice publications and public hearings, if necessary, occur throughout August and into September. A Public Hearing on the Budget is held in early September and revisions continue. The final budget is reviewed by the City Council and adopted in late September.

Budget Schedule 2025

Monday-4

- **10:00 2024-2025 Recap**
- **11:00 Linebarger**

Honorable Mayor Pro-Tem Joe Compian

Honorable Councilmember Kimberley Yancy

Honorable Councilmember Joseph Lowry

Honorable Councilmember Tonia Griffin

Residents and Business Community of La Marque

Re: Proposed Fiscal Year 2025–2026 Budget

Dear Mayor, Mayor Pro-Tem, Councilmembers, and Residents:

In accordance with Article 6, Section 2 of the City Charter, I respectfully present the Proposed Fiscal Year 2025–2026 Budget for your consideration and review.

Among the many responsibilities I carry as Interim City Manager, none is more consequential than safeguarding the financial health of our city and ensuring that every public dollar is used with intention, care, and transparency. Despite persistent uncertainty at regional and national levels, La Marque has remained focused on operational excellence, infrastructure investment, and community-centered growth. This proposed budget is both a strategic framework and a commitment to service, to stability, and to our shared future.

Theme: Overcoming Adversity, Restoring Stability

This year's budget is submitted under the theme ***Overcoming Adversity, Restoring Stability***. The past fiscal cycle was marked by unprecedented disruption, including the resignation of two City Managers, compounding the challenges already faced from aging infrastructure, constrained staffing capacity, and rising service demands. City departments responded with professionalism and resilience, ensuring essential operations continued uninterrupted.

Fiscal Discipline and Infrastructure Investment

Key infrastructure priorities remain front and center. FY 2026–2027 continues critical work on the General Land Office-funded sewer system inflow and infiltration mitigation project, the Main Street Sewer Project, and waterline replacements across District D and other vulnerable areas. New projects under the \$48.9 million Harvey Mitigation Grant will harden critical lift stations and reduce system-wide flood vulnerabilities.

The LED streetlight conversion initiative will also continue into its third phase, targeting high-traffic corridors and underserved residential zones. The program remains on pace for full citywide completion by 2028—well ahead of initial projections.

The following are projects that will continue into FY26:

Street Lighting Improvements: Funding Source- ARPA Funds, \$217,912.46

Milling and Striping Project: Funding Source- ARPA Funds, \$399,158.00

Newman Sanitary Sewer Project: Funding Source-Impact Fee, \$1,305,016.05

Wisteria Drainage Proj: Funding Source- Grant Funds, \$500,000, City Portion \$145,488.50

Mahan Boat Ramp Project: Funding Source- TWDB Grant, \$73,682, City Portion \$24,560.00

Main Street Waterline Project: Funding Source- Impact Fees, \$1,554,329.00

Westwood Drainage Project: Funding Source- 2016 CO, \$256,145.00

Difficult Choices in a Constrained Environment

Despite our forward progress, the City continues to navigate a constrained fiscal environment. Rising inflation, ongoing market volatility, and stagnation in sales tax revenues have significantly reduced discretionary spending capacity. Compounding these challenges are sharp increases in the cost of insurance, contract labor, and capital materials—factors that have placed pressure on every department’s operating ability.

In response, this budget was developed under three guiding principles:

1. Preserve essential services and the workforce that delivers them
2. Honor previously approved capital projects and grant commitments
3. Invest in areas that strengthen long-term financial resilience

Wherever feasible, the City prioritized one-time investments that yield long-term savings or improved service delivery. These include technology upgrades, workforce training, and critical equipment replacements—each designed to strengthen core capacity without incurring ongoing liabilities.

Supporting Our Workforce

City employees are our most valuable asset. This budget reflects our investment in a high-performing, mission-driven workforce through:

- Cost-of-living adjustments and compliance with union agreements
- Performance-based compensation and targeted hiring
- Continued investment in training, safety, and succession planning

Retaining institutional knowledge and supporting employee development are essential to both operational success and financial stability.

Long-Term Vision and Financial Resilience

This budget aligns with *Vision 2050*, our long-range planning framework for La Marque's physical, economic, and social infrastructure. It sustains funding for public safety, invests in modernization, and preserves flexibility to address unforeseen challenges.

Acknowledgements

I sincerely thank our former Finance Director, Christine Turner, for her leadership and each department head and team member who contributed to this proposed budget. Their professionalism and discipline are evident in every line of this plan.

Conclusion

The FY 2025-2026 Budget reflects our values, confronts our realities, and invests in our future. In the face of adversity, La Marque has remained steadfast. With this budget, we take the next step toward a more stable, resilient, and equitable future for all who live, work, and do business in our city.

Respectfully submitted,

Amy Miller, CPM
Interim City Manager

Taxing Unit's Address, City, State, ZIP Code

Taxing Unit's Website Address

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

Line	No-New-Revenue Tax Rate Worksheet	Amount/Rate
1.	Prior year total taxable value. Enter the amount of the prior year taxable value on the prior year tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-fourth and one-third over-appraisal corrections from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (adjustment is made by deducting TIF taxes, as reflected in Line 17). ¹	\$ 1,953,325,888
2.	Prior year tax ceilings. Counties, cities and junior college districts. Enter the prior year total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing unit adopted the tax ceiling provision last year or a prior year for homeowners age 65 or older or disabled, use this step. ²	\$ 289,097,820
3.	Preliminary prior year adjusted taxable value. Subtract Line 2 from Line 1.	\$ 1,664,228,068
4.	Prior year total adopted tax rate.	\$ 0.398501 /\$100
5.	Prior year taxable value lost because court appeals of ARB decisions reduced the prior year's appraised value. A. Original prior year ARB values: \$ 38,350,450 B. Prior year values resulting from final court decisions: - \$ 31,601,229 C. Prior year value loss. Subtract B from A. ³	\$ 6,749,221
6.	Prior year taxable value subject to an appeal under Chapter 42, as of July 25. A. Prior year ARB certified value: \$ 0 B. Prior year disputed value: - \$ 0 C. Prior year undisputed value. Subtract B from A. ⁴	\$ 0
7.	Prior year Chapter 42 related adjusted values. Add Line 5C and Line 6C.	\$ 6,749,221

19.	Total value of properties under protest or not included on certified appraisal roll. ¹³	
	A. Current year taxable value of properties under protest. The chief appraiser certifies a list of properties still under ARB protest. The list shows the appraisal district's value and the taxpayer's claimed value, if any, or an estimate of the value if the taxpayer wins. For each of the properties under protest, use the lowest of these values. Enter the total value under protest. ¹⁴ \$ 82,678,727	
	B. Current year value of properties not under protest or included on certified appraisal roll. The chief appraiser gives taxing units a list of those taxable properties that the chief appraiser knows about but are not included in the appraisal roll certification. These properties also are not on the list of properties that are still under protest. On this list of properties, the chief appraiser includes the market value, appraised value and exemptions for the preceding year and a reasonable estimate of the market value, appraised value and exemptions for the current year. Use the lower market, appraised or taxable value (as appropriate). Enter the total value of property not on the certified roll. ¹⁵ + \$ 0	
	C. Total value under protest or not certified. Add A and B.	\$ 82,678,727
20.	Current year tax ceilings. Counties, cities and junior colleges enter current year total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing unit adopted the tax ceiling provision in the prior year or a previous year for homeowners age 65 or older or disabled, use this step. ¹⁶	\$ 288,202,616
21.	Current year total taxable value. Add Lines 18E and 19C. Subtract Line 20. ¹⁷	\$ 1,790,001,560
22.	Total current year taxable value of properties in territory annexed after Jan. 1, of the prior year. Include both real and personal property. Enter the current year value of property in territory annexed. ¹⁸	\$ 0
23.	Total current year taxable value of new improvements and new personal property located in new improvements. New means the item was not on the appraisal roll in the prior year. An improvement is a building, structure, fixture or fence erected on or affixed to land. New additions to existing improvements may be included if the appraised value can be determined. New personal property in a new improvement must have been brought into the taxing unit after Jan. 1, of the prior year and be located in a new improvement. New improvements do include property on which a tax abatement agreement has expired for the current year. ¹⁹	\$ 33,016,402
24.	Total adjustments to the current year taxable value. Add Lines 22 and 23.	\$ 33,016,402
25.	Adjusted current year taxable value. Subtract Line 24 from Line 21.	\$ 1,756,985,158
26.	Current year NNR tax rate. Divide Line 17 by Line 25 and multiply by \$100. ²⁰	\$ 0.374450 /\$100
27.	COUNTIES ONLY. Add together the NNR tax rates for each type of tax the county levies. The total is the current year county NNR tax rate. ²¹	\$ _____ /\$100

SECTION 2: Voter Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

Line	Voter-Approval Tax Rate Worksheet	Amount/Rate
28.	Prior year M&O tax rate. Enter the prior year M&O tax rate.	\$ 0.291058 /\$100
29.	Prior year taxable value, adjusted for actual and potential court-ordered adjustments. Enter the amount in Line 8 of the <i>No-New-Revenue Tax Rate Worksheet</i> .	\$ 1,670,977,289

SECTION 3: NNR Tax Rate and Voter Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

Line	Additional Sales and Use Tax Worksheet	Amount/Rate
51.	Taxable Sales. 57.	Current year voter-approval tax rate, unadjusted for sales tax. ³⁶ Enter the rate from Line 49, Line D49 (disaster) or Line 50 (counties) as applicable, of the <i>Voter-Approval Tax Rate Worksheet</i> .	\$ 0.510830 /\$100
58.	Current year voter-approval tax rate, adjusted for sales tax. Subtract Line 54 from Line 57.	\$ 0.392906 /\$100

SECTION 4: Voter Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

Line	Voter-Approval Rate Adjustment for Pollution Control Requirements Worksheet	Amount/Rate
59.	Certified expenses from the Texas Commission on Environmental Quality (TCEQ). Enter the amount certified in the determination letter from TCEQ. ³⁷ The taxing unit shall provide its tax assessor-collector with a copy of the letter. ³⁸	\$ 0

62.	Current year voter-approval tax rate, adjusted for pollution control. Add Line 61 to one of the following lines (as applicable): Line 49, Line D49 (disaster), Line 50 (counties) or Line 58 (taxing units with the additional sales tax).	\$ 0.392906 /\$100

SECTION 5: Voter Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the sum of the prior 3 years Foregone Revenue Amounts divided by the current taxable value. ³⁹ The Foregone Revenue Amount for each year is equal to that year's adopted tax rate subtracted from that year's voter-approval tax rate adjusted to remove the unused increment rate multiplied by that year's current total value. ⁴⁰

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year in which a taxing unit affected by a disaster declaration calculates the tax rate under Tax Code Section 26.042; ⁴¹
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a); ⁴² or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval. ⁴³

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit. ⁴⁴

73.	De minimis rate. Add Lines 69, 71 and 72.	\$ 0.402980 /\$100

SECTION 7: Voter Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁴⁷

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.⁴⁸

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).

Line	Emergency Revenue Rate Worksheet	Amount/Rate
74.	2024 adopted tax rate. Enter the rate in Line 4 of the <i>No-New-Revenue Tax Rate Worksheet</i> .	\$ 0.398501 /\$100
75.	Adjusted 2024 voter-approval tax rate. Use the taxing unit's Tax Rate Calculation Worksheets from the prior year(s) to complete this line. ⁴⁹ If a disaster occurred in 2024 and the taxing unit calculated its 2024 voter-approval tax rate using a multiplier of 1.08 on Disaster Line 41 (D41) of the 2024 worksheet due to a disaster, complete the applicable sections or lines of <i>Form 50-856-a, Adjusted Voter-Approval Tax Rate for Taxing Units in Disaster Area Calculation Worksheet</i> . - or - If a disaster occurred prior to 2024 for which the taxing unit continued to calculate its voter-approval tax rate using a multiplier of 1.08 on Disaster Line 41 (D41) in 2024, complete form 50-856-a, <i>Adjusted Voter-Approval Tax Rate for Taxing Units in Disaster Area Calculation Worksheet</i> to recalculate the voter-approval tax rate the taxing unit would have calculated in 2024 if it had generated revenue based on an adopted tax rate using a multiplier of 1.035 in the years following the disaster. ⁵⁰ Enter the final adjusted 2024 voter-approval tax rate from the worksheet. - or - If the taxing unit adopted a tax rate above the 2024 voter-approval tax rate without calculating a disaster tax rate or holding an election due to a disaster, no recalculation is necessary. Enter the voter-approval tax rate from the prior year's worksheet.	\$ 0.000000 /\$100
76.	Increase in 2024 tax rate due to disaster. Subtract Line 75 from Line 74.	\$ 0.000000 /\$100
77.	Adjusted 2024 taxable value. Enter the amount in Line 14 of the <i>No-New-Revenue Tax Rate Worksheet</i> .	\$ 1,639,582,701
78.	Emergency revenue. Multiply Line 76 by Line 77 and divide by \$100.	\$ 0
79.	Adjusted 2024 taxable value. Enter the amount in Line 25 of the <i>No-New-Revenue Tax Rate Worksheet</i> .	\$ 1,756,985,158
80.	Emergency revenue rate. Divide Line 78 by Line 79 and multiply by \$100. ⁵⁰	\$ 0.000000 /\$100

Line	Emergency Revenue Rate Worksheet	Amount/Rate
81.	Current year voter-approval tax rate, adjusted for emergency revenue. Subtract Line 80 from one of the following lines (as applicable): Line 49, Line D49 (disaster), Line 50 (counties), Line 58 (taxing units with the additional sales tax), Line 62 (taxing units with pollution control) or Line 68 (taxing units with the unused increment rate).	\$ 0.452161 /\$100

SECTION 8: Total Tax Rate

Indicate the applicable total tax rates as calculated above.

No-new-revenue tax rate. \$ 0.374450 /\$100
 As applicable, enter the current year NNR tax rate from: Line 26, Line 27 (counties), or Line 56 (adjusted for sales tax).
 Indicate the line number used: 26

Voter-approval tax rate. \$ 0.452161 /\$100
 As applicable, enter the current year voter-approval tax rate from: Line 49, Line D49 (disaster), Line 50 (counties), Line 58 (adjusted for sales tax), Line 62 (adjusted for pollution control), Line 68 (adjusted for unused increment), or Line 81 (adjusted for emergency revenue).
 Indicate the line number used: 68

De minimis rate. \$ 0.402980 /\$100
 If applicable, enter the current year de minimis rate from Line 73.

SECTION 9: Taxing Unit Representative Name and Signature

Enter the name of the person preparing the tax rate as authorized by the governing body of the taxing unit. By signing below, you certify that you are the designated officer or employee of the taxing unit and have accurately calculated the tax rates using values that are the same as the values shown in the taxing unit's certified appraisal roll or certified estimate of taxable value, in accordance with requirements in the Tax Code.⁵¹

The Human Resources Department is undergoing a period of transformation alongside the rest of the City. Its primary goal is to foster psychological safety in the workplace, ensuring employees feel comfortable asking questions, developing their skills, and taking on leadership roles. A key part of this effort is building trust and strengthening connections with employees. Through consistent visibility, approachability, and engagement, the Human Resources Manager will cultivate an environment where HR is seen as a true partner, not just an administrative function.

Fiscal Year 2025-2026 Accomplishments

1. Implemented Assess TEAM, an employee evaluation module, to evaluate all employees annually. New employee evaluations are completed at 30 days, 90 days, and at 6 months, which is the end of their probationary period.
2. Launched a new Employee Assistance Program, Interface EAP, which has allowed employees far more resources including not only mental health but also financial and legal assistance.
3. Completed Request for Proposal (RFP) for an improved Human Resources Information System (HRIS). Successfully completed contract negotiations and awarded contract to NeoGov, who seamlessly implements with the OpenGov financial system during the City-wide change of software.
4. Additionally lowered the cost associated with pre-employment background checks from \$79 to \$30, while also including additional checks for safety sensitive positions within Administration, Finance, and Information Technology.
5. Completed a full audit of all current employee files creating new protocols for employee file management. During employee file audit, also completed a full audit of all employee health benefits ensuring that all employees were completely covered appropriately.
6. Built relationship with SER, creating multiple training opportunities for individuals over the age of 55. Individuals have been trained in Communications, Development Services, Administration, and Permitting.
7. Initiated a citywide pay study to realign employee compensation with industry standards, ensuring fair and competitive pay for all City employees. Study is ongoing and hope to be implemented within FY 26.
8. Created a monthly employee newsletter beginning in December that is sent the first Monday of the month to all employees to keep employees better informed of new team members, city events, and employee opportunities within the City.

Fiscal Year 2026 Objectives:

1. Rebuild Employee Trust & Engagement: Establish open communication channels (e.g., HR office hours, anonymous feedback options). Implement regular employee check-ins to address concerns and gather feedback during informal gatherings as well as Lunch and Learn events. Foster transparency in HR policies and decision-making by meeting all new employees personally and making regular department visits to the different work environments.
2. Foster a Positive Workplace Culture: Continue to organize employee appreciation events and team-building activities. Promote workplace wellness initiatives (e.g., mental health resources, wellness challenges, NextLevel Prime benefit). Continue the monthly employee newsletter and grow it to include additional information that is valuable to employees. Encourage work-life balance through flexible scheduling where applicable.

Accounting

Accounting

The mission of the Finance Department is to safeguard the city's assets, to provide transparency to the general public, and to ensure city compliance with all regulations and policies.

Fiscal Year 2025-26 Objectives

- Training for all new finance staff
- Improve credit rating for the city
- Improve procurement and Pcard policies procedures
- Continue developing a standard departmental procedural manual
- Replace obsolete financial software with more current and affordable software
- Establish internal audit programs and procedures
- Improve efficiency to system data flows and daily process and procedures
- Promote digitizing data sources and replacing manual processes with more up-to-date technological automation
- Continuing to improve communication with the community by engaging citizens and businesses to participate in budgeting and financial processes through new platform
- Improve collaboration with various groups in the community to achieve desired goals benefiting the city
- Continue to Improve financial transparency using available technology to reach out to the community
- Finance Director to complete a Certified Public Management Program
- Finance Director to complete NIGP-CPP for procurement certification

Fiscal Year 2024-25 Accomplishments

- Received GFOA Certificate of Achievement for Excellence in Financial Reporting Award Fiscal Year 2022-23
- Received GFOA Distinguished Budget Presentation Award Fiscal Year 2022-23
- Implemented a platform to connect with the community for surveys, budget, financial, and city services performance
- Completion of Certified Public Management Program for Finance Director by September 2022

3. Enhance Employee Retention & Recognition: Develop and launch a true employee recognition program (e.g., Employee of the Month, service awards). Conduct exit and stay interviews to identify retention strategies where HR will address feedback and build credibility. Advocate for competitive compensation and benefits enhancements where feasible.
4. Implement Training & Development Initiatives: Identify and provide cost-effective training opportunities (e.g., online courses, local workshops) as well as encouraging department directors to utilize training funds on all employees. Develop leadership training for supervisors to improve management skills. Encourage professional development through certifications and/or tuition reimbursement programs. Strengthen relationship with both COM and Galveston College to assist employees with registration and enrollment barriers.
5. Streamline HR Processes & Policies: Review, create, and update outdated HR policies to align with best practices and legal requirements. Conduct regular policy audits to maintain compliance with labor laws and municipal regulations. Address workplace conflicts with a fair and structured resolution process. Implement a new employee handbook to replace the current 2013 Employee Handbook. Standardize onboarding and offboarding procedures to ensure consistency.
6. Employee File Compliance & Enhancement: Ensure 100% compliance and completeness of all employee personnel files by addressing deficiencies identified in the employee file audit. Ensure all employees receive mandatory compliance training (e.g., workplace safety, anti-harassment). Digitize employee records and continue implementation of the new, efficient HR software solution, NeoGov. This initiative will improve record accuracy, mitigate legal risks, and reinforce HR best practices.
7. Committee Development: Create an HR Committee, led by the HR Manager, apprised of differing employees to lead a Safety Committee, Culture Committee, a Leadership Delegation, and Representatives for Resident Relations. The HR Committee would meet quarterly for oversight by the HR Manager to discuss movement within the four committees. The Safety committee would be re-established to review work incidents, identifies safety hazards, and ensures complete documentation of any submitted claims. They would recommend policies to put in place to enhance safety in the workplace. Additionally, they would assist in training and/or suggesting training to employees. This committee provides collaboration between Administration and "Big 3". The Culture Committee leads employee initiatives such as Employee Appreciation (Police Week, Administration Day, etc), plans Employee Christmas Party, and assists with morale issues. This committee also champions mental health and advocates for conditions of employment. The Leadership Delegation works with department heads to create leadership succession plans, update policies to reflect budget changes, and plan training for up-and-coming leaders within the city. This committee will lead by example as graduates of Leadership Mainland. Lastly, the Resident Relations Reps, which would be lead/assisted by a member of the communications team, would work in conjunction with the Clerk's Office to liaison between community members and the city. Representatives from this community love La Marque and want their community to love La Marque too. Its goal is to personify government.

JUDICIAL ORGANIZATIONAL CHART

Judicial Goals and Objectives

Fiscal year 2025-2026

Mission Statement

City Of La Marque Municipal Court

Mission

The Mission of the Municipal Court is to accurately, expeditiously, and courteously perform the clerical and ministerial duties required in the due process adjudication of misdemeanor violations of the law and ordinances filed in the Municipal Court of the City of La Marque. To impartially administer justice in a fair and efficient manner so that trust and accountability are exemplified to the public we serve.

Vision

To be the most effective, efficient, and impartial Municipal Court in Texas.

Goals

To provide exceptional customer service

To provide effective & impartial administration of justice

To enhance organizational health

Accomplishments:

Efficiency and compliance:

Tyler Technologies Software

The software utilized by the court is designed to be a paperless system. Beginning in January 2024 we started implementing those features by creating all forms to be paperless, creating macros to process cases without error, capturing signatures electronically from defendants, and creating electronic signatures for clerks and Judge's. In addition, we have implemented a notify program that sends text messages, phone calls, and emails to defendants about upcoming dates, missed payments, and more.

A new payment plan system was implemented to help ensure that individuals can successfully resolve any fees or fines owed.

With the utilization of the software and all its features in addition to adjusting some of court processes we have been able to improve the efficiency of resolving cases and have seen an increase in compliance for those individuals with open cases.

Traffic Safety Awareness Award: 2025

February 2025, we received the Honorable mention award from the Texas Municipal Clerks Education Center for our dedication and work bringing traffic safety awareness to the community. This award also allowed one of our staff members to attend the April 2025 traffic safety seminar free of charge.

Achieve this by:

- Participated in the Hurricane Huddle event by providing information on drug awareness, educational books for children up to age 10, the use of drunk goggles to show how your vision is impaired while intoxicated and allowing anyone to try on the Judge's robe and hit the gavel.
- Participated in a local school field trip by giving access to the courtroom and speaking with the Judge about the judicial system and allowing them to try on the Judge's robe.
- We used the drunk goggles to teach alcohol awareness specially designed to give them a real drunken experience and speak about how to increase traffic safety and prevent impaired driving in our community.
- Gave out stickers/traffic safety brochures to the public at the court window.

Teen And Police Service (TAPS) Academy:

The City Marshal joined with our La Marque Police Department to help mentor our youth. Teen And Police Service Academy's (TAPS Academy) mission is to reduce the social distance between at-risk youth and law enforcement. This is accomplished through learning, interaction, and discussion between at-risk youth and the law enforcement personnel who serve their communities.

TAPS overall objectives:

- Reduce the social distance between at-risk youth and law enforcement.
- Gain valuable insight about each other and issues they all face on a daily basis.
- Covers specific topic areas associated with Children and Youth Safety (COPS-CPD-2011-3) such as violence, physical and sexual abuse, stalking, domestic trafficking, sexual exploitation and bullying.
- Designed to help youth: change behavior, learn responsible decision making, participate in crime prevention projects and reduce the social distance between themselves and law enforcement.
- Builds upon the groundwork established by community policing programs.
- Ensuring great, dependable mentors is a key part of TAPS Academy. Police mentors stay fully involved and committed.

GOALS:

Traffic Safety Awards- Achieve an Award: February 2026

Texas Municipal Court Education:

This will be achieved by participating in our schools, promoting traffic safety, and preventing drug and alcohol-impaired driving. We will engage with students in group discussions about distracted driving and Minor Driving Under the Influence, and Drugs. We will reach out to the Texas Alcohol Beverage Commission and National Institute on Drug Abuse to offer various educational materials to distribute to students.

Bring Traffic Safety Awareness to the community:

Achieve this by:

- Participate in National Night Out & Municipal Court Week
- Posting information on court web page
- Each month focuses on a different issue such as DWI, texting while driving, teen drivers, click it, or ticket.

- Useful links on court web page
- Handouts, distribution to school kids, public & employees and speak about how to increase traffic c safety and prevent impaired driving in our community.
- Giving out stickers/traffic safety brochures to the public at court window

Work with Court software and Citation issuing software to create a seamless process for uploading citations from the Citation issuing software to the Court software.

The goal by December 2025 is to have both systems 100% in sync.

- Ensuring both systems data match 100%.
- Ensuring both systems have all tools available for use to improve efficiency and accuracy.

Clerk Certifications: August 2026

Deputy Court Clerk to achieve her level II certification.

Any new Court Clerk to achieve her level I certification.

Objectives:

To efficiently process disposition of court cases. Continuing education of Municipal Judge and court staff and continuing to develop and improve customer service.

La Marque Police Department

FY 2025/2026--Goals and Objectives

- Goal 1** To continue to develop and maintain a *positive organization culture* within the La Marque Police Department (LMPD): which has as its foundation the “Golden Rule Principles” of *The Seven Habits of Highly Effective People*. Vision is that all LMPD personnel are totally committed and embrace the desire to achieve organizational goals in such a manner that it positively satisfies the needs and priorities of those we serve. To this end, each employee shall be responsible and accountable to embrace and comply with: 1. the department’s “Mission Statement,” and 2. the department’s “Seven Principles of Success at the La Marque Police Department.”
- Goal 2** Ensure that the department’s employment of the approved COLM performance evaluation system is implemented and effectively fine tuned to ensure that goals of each employee are clearly established and that each employee is rated objectively relating to goal compliance..
- Goal 3** Ensure that the department’s promotion system, for peace officers, promotes only those that objectively have provided meritorious law enforcement services and complied with Goal #1 and Goal #2. Chapter 143. Municipal Civil Service for Firefighters and Police Officers Section 143.036, paragraph (f), “Valid Reason,” for non-promotion, will be the key governing factor of consideration for such promotions.
- Goal 4** Continue to “fine tune” our Community-Oriented Policing (COP) effort to include introducing two (2) to three (3) additional Community Watch groups during this calendar year.
- Goal 5** Continue to enhance and operate a “scaled down” version of Computerized Statistics (AKA *CompStat*) on a monthly basis. CompStat is essentially a police “intelligence-led” information management system, pioneered in New York City (and now employed nationwide by agencies desiring to reduce crime rates and the fear of crime), that uses up-to-date crime pattern information (processed via the agency’s records management system and its crime-mapping software) to hold geographic commanders (e.g., in our case Shift Sergeants) who will be assigned specific police districts accountable for reducing crime within their assigned areas of responsibility. CompStat’s key principles include: a) accurate and timely intelligence; b) rapid deployment; c) effective tactics; and d) relentless follow-up and assessment. Those Sergeants assigned districts must remain cognizant of three (3) key elements: 1) crime conditions (i.e., patterns, M.O.s, etc.,) in their area of control; 2) appropriate tactics to deploy to address such conditions; 3) any revision to such tactics, as necessary.
- Goal 6** Continue executing the “Eyes on La Marque” public safety initiative.
- Goal 7** Complete planning and execute the action plan to construct the new LMPD facility to include refurbishing the current LMPD facility.

- Goal 8** Continue with the process of formulating budgetary and/or grant actions, to:
1. install state-of-the-art mobile command terminals and in-car camera systems in all Patrol Service Division (PSD) vehicles; 2. acquire state-of-the-art body worn cameras (BWC) for all PSD officers; and 3. acquire an unmanned aerial vehicle (UAV—drone) that may be dispatched from an officers’ BWC and/or our Communications Center.
- Goal 9** Continue efforts to acquire a *Gang Unit Officer* who as a primary role will be responsible for providing the leadership to deter and/or conduct the necessary law enforcement operations upon gang members. A secondary role will be to provide leadership over the following programs: Citizens Police Academy Alumni Association, Citizens on Patrol, Law Enforcement Explorer Post, and any other newly developed youth engagement efforts/program.
- Goal 10** Continue to follow-through on the goals and objectives relating to the *La Marque Safe City Initiative* (LMSCI), especially relating to preventing and controlling crime that was approved by City Council in February 2022 (this document is contained herein).
- Goal 11** Continue with the department’s effort to acquire full accreditation, via the *Texas Police Chief Association Best Practices Accreditation Program*, during the last quarter of 2026.
- Goal 12** Complete acquisition of all resources relating to the following major grants: ARPA, Lone Star, SB 224 (FY 2024) Catalytic Converter Grant,
- Goal 13** In conjunction with the City Manager, Facility Maintenance Manager, and the LMPD Administrative Services Division Commander, develop a more effective, resilient, and responsive vehicle replacement/replenishment “lease/purchase” system to ensure the department’s fleet operations remain consistent with the needs and priorities of the department.

La Marque Safe City Initiative
(Final Goals—Effective February 3, 2022)

- **Goal #1:** (Consists of items A through E.)

A. Reinroduce *Community Oriented Policing*.

- 1st Year Goal (2022): Introduce three (3) Community Watch Areas with an assigned Community Policing Officer (CPO) for each area.
- 3rd Year Goal (As of December 31, 2024): A total of nine (9) Community Watch Areas will be instituted with an assigned Community Policing Officer (CPO) for each area.
- 5th Year Goal (As of December 31, 2026): A total of 15 Community Watch Areas will be instituted with an assigned Community Policing Officer (CPO) for each area.

B. Reinroduce *CompStat* program.

- 1st Year Goal (2022): CompStat program fully instituted and active.
- 3rd Year Goal (As of December 31, 2024): CompStat operation evolves into inviting Mayor and Council Members to attend the monthly meetings if so desired.
- 5th Year Goal: (As of December 31, 2026): Assessment of program and modification, as necessary.

C. Establish a fully trained “Gang” Unit.

- 1st Year Goal (2022): Two (2) of three (3) Officers are fully trained in gang operations to include: maintaining a working relationship with schools, social services agencies, community-based organizations, and other criminal justice organizations in a systematic approach to the prevention, intervention, and suppression of criminal gang activity. relating to identification, operations, and finally interdiction. At year end, Gang Unit conducts surveys to determine gangs in operation to establish a “baseline” of gang membership and activities.
- 3rd Year Goal (As of December 31, 2024): All three (3) Officers are trained in gang operations. Survey conducted by Gang Unit with a goal of discerning a 15% reduction in gang membership and activities from year #1 initial survey.
- 5th Year Goal (As of December 31, 2026): Acquire one (1) Gang Unit Officer in a full-time status working with two (2) Gang Unit Officers that serve on a part time basis. Survey conducted by Gang Unit with a goal of discerning a 20% reduction in gang membership and activities from year #1 initial survey.

D. Hire a contractor to assist to perform “crime analyst” functions.

1st Year Goal (2022): This contractor will assist in formulating & delivering crime statistics for CompStat meetings.

3rd Year Goal (As of December 31, 2024): Contractor will become a part-time employee.

5th Year Goal: (As of December 31, 2026): Contractor will become a full-time employee.

E. Matriculate into the Texas Recognition Program.

(The *Law Enforcement Recognition Program* is a voluntary process where police agencies in Texas prove their compliance with 170 Texas Law Enforcement Best Practices).

1st Year Goal (2022): LMPD will initiate developing policies and procedures that align with the 170 standards.

3rd Year Goal (As of December 31, 2024): LMPD will officially matriculate into the program.

and complete the requirements for “recognition.”

5th Year Goal: (As of December 31, 2026): LMPD will have completed the recognition program and be working on its next assessment (after successfully completing recognition status an assessment is due every four [4] years).

- **Goal #2:**

Employ the department’s Special Response Team (SRT) as often as practicable to conduct “Directive Patrol Actions” (DPA’s) in drug & crime hot spots.

➤ 1st, 3rd, and 5th Year Goals are all standardized relating to conducting DPA’s as often as practicable.

- **Goal #3.**

A. Apply for a grant to fund Officers to form three (3) Officer teams that will have a dual role for the Officers to serve as SRT members **and** Community Policing Officers (when not conducting SRT missions),

B. Should grants not be available, budget for FY 2022/2023 to fund a minimum of one-three (3) Officer Team to operate full-time as per “Goal #3 A.” above.

➤ 1st, 3rd, and 5th Year Goals are all standardized relating to working toward acquiring a grant and operations. Should a grant not be awarded by FY 2022/2023, perform staff actions to seek funding for this 3-Officer Team via the city’s operating budget.

- **Goal #4:**

Conduct a study/cost analysis to assess our city's lighting needs and priorities. Goal will be to upgrade COLM streetlights (east & west side of city) with LED lights and install streetlights wherever deemed necessary.

- 1st Year Goal (2022): Consultant will complete needs assessment of lighting (and estimated cost) for the entire COLM: to include "safety lighting" for Omega Bay.
- 2nd Year Goal (2023): Funding for this project will receive City Council action.
- 3rd Year Goal (As of January 1, 2024): Should funding be acquired contractors will initiate work.

5th Year Goal: (As of December 31, 2026): Lighting project will be completed.

- **Goal #5:**

- 1st Year Goal (2022):

A. Hire a Social Worker to fill the department's already budgeted vacant position.

B. Initiate an MOU with the Resource Crisis Center (RCC) that will work in partnership with the Social Worker. The RCC will (to the greatest extent possible) serve as the "hub"/key organizer in acquiring other social service agencies to assist the COLM with activities and socio-economic programs to enhance the quality of life of our residents: with an emphasis on developing youth advocacy programs/efforts for prevention, intervention, and treatment of juveniles—to include after-school curriculums (e.g., sports leagues, entertainment/youth centers, etc.) Supplementing all mentioned within this goal will be development of the following committees with an emphasis on youth advocacy: Community Action Team (CAT), Community Oriented Policing Leadership Committee/Chief's Diversity Committee (members will serve on both committees), Chief's Youth Advisory Committee, and finally, rejuvenating the La Marque Ministerial Association.

- 3rd Year Goal (As of January 1, 2024): At this juncture, several youth programs (e.g., a "Teen Center") will have been instituted. Continuing assessment and as necessary modification of outreach programs that have been instituted.
- 5th Year Goal: (As of December 31, 2026): Continuing assessment and as necessary modification of outreach programs that have been instituted.

Goals Relating to Crime Rates

Considering **all** 5 Goals relating to their positive effect on crime rates, it is hoped that the following prediction of preventing and controlling crime (portrayed as crime rates) is produced:

- 1st Year Goal (for entire CY year of 2021): Violent and Property Crime Rates for CY 2021 over 2020 will each be reduced a minimum of 2%.

- 3rd Year Goal (As of December 31, 2023): 1. Violent and Property Crime Rates for CY 2021, 2022, and 2023 will each year be reduced a minimum of 2% from the prior CY; 2. During this juncture [i.e., January 2023] a “citizen’s survey” will
- be conducted by an external agency to measure “citizen’s fear of crime,” crime concerns, and recommendations from citizens.)
- 5th Year Goal: (As of December 31, 2025): 1. Violent and Property Crime Rates for CY 2024 and 2025 will each year be reduced a minimum of 2% from the prior CY; 2. Violent and Property Crime Rate for CY 2025 will be less than or equal to the Texas Violent and Property crime rates; 3. During this juncture (effective January 2025) a citizen’s survey will be conducted by an external agency to measure “citizen’s fear of crime,” crime concerns, and recommendations from citizens.)

Fire/EMS Department

The City of La Marque Fire Department is a comprehensive and dynamic agency delivering a wide array of services to the community. These services include:

1. **Fire Suppression and Rescue Services:** The department is equipped to handle various fire emergencies and perform diverse rescue operations.
2. **Advanced Life Support and EMS:** They offer advanced life support and pre-hospital care, including MICU (Mobile Intensive Care Unit) emergency medical transport.
3. **Fire Prevention and Code Enforcement:** This includes inspecting buildings for fire code compliance, examining building plans, and issuing occupancy permits to ensure safety standards are met.
4. **Fire & Criminal Investigations:** A responsibility of the Fire Marshal's Office, this includes the investigation of fire, arson, and explosive related incidents within the city limits and surrounding jurisdictions when requested. As a Texas Law Enforcement Entity, the Fire Marshal's Office conducts these investigations and files charges when necessary.
5. **Hazardous Materials Management:** The department is responsible for the mitigation and abatement of hazardous materials incidents to protect public health and safety.
6. **Public Education and Community Outreach:** They conduct programs to educate the public on fire safety, emergency preparedness, and other relevant topics.
7. **Regional and Mutual Aid Response:** The La Marque Fire Department is a member of the Texas Regional Response Team, providing emergency services beyond their immediate jurisdiction, including the greater Houston area. They also participate in the Galveston County Firefighter Mutual Aid System, collaborating with neighboring departments for mutual support.

This multi-faceted approach ensures that the La Marque Fire Department is prepared to address a wide range of emergencies and safety concerns within their community and beyond.

Fiscal Year 2025-2026 Goals and Objectives

- Increase staffing to 12 per shift with a minimum staffing of 8 personnel by adding 3 Firefighters.
- Increase EMS response Posture by placing 3rd medic unit in service full time
- Improve Revenue collections for services rendered by the department.
- Continuing Operations review for Texas Fire Chiefs Best Practice Accreditation.
- Continue to Expand and Improve Department recruitment and retention initiative.
- Achieve Texas Fire Marshal Association achievement of excellence award.
- Expand Community CPR to reach more citizens and surrounding area.
- Institute In-house EMS training for required ACLS, PALS, BTLS Card classes
- Revamp and improve FTO/new hire process

- UAS Drone program advancement
- Expand and Increase fire prevention offerings/Programs

Fiscal Year 2024-25 Accomplishments

- 3 Engineers added to staffing increasing staff to 11 per shift with a minimum staffing of 8 personnel.
- The community CPR program expanded. 151 people taught CPR to date.
- Stop the bleed training program instituted and expanded
- Smoke detector installation program expanded to on-shift for greater response.
- Monthly child safety seat check station-continues 4th Thursday of every month.
- Biannual TCFP compliant live fire training Incorporated multi-department operations.
- Expansion of Company Level Inspections (more on shift inspectors)
- FEMA Advanced Professional Series Designation achieved by all executive staff
- Obtained and placed in service 1st ever Accelerant detection K9 (5 call outs since Nov. 2024)
- Updated and adopted 2024 ICC Code set
- 17 total personnel trained and certified in Personal radiation detection program (both stations and all 3 shifts)
- Increased Knox Compliance with New/Existing Business
- Live EMS simulated training with multi-department operations and hospitals
- Expanded Fire prevention presentations to include preschoolers, Home Schoolers and all community members
- Community outreach expansion to include the following:
 - a. letters to Santa 70 letters received 63 sent
 - b. Pictures with Santa
 - c. Santa & Grinch city tour 5 days,
 - d. visually impaired easter egg hunt,
 - e. KAI birthday party/Open house
 - f. 3 trunk R treats
- Members of Fire Executive staff graduated from Leadership Mainland

City Clerk Organizational Chart

2025-2026 Goals and Objectives

Ensure Transparency and Public Access to Information

Provide timely, accurate, and accessible information to the public regarding city records, meeting minutes, ordinances, and resolutions.

Maintain Legal Compliance

Ensure that all city records are properly maintained, retained, and disposed of in compliance with state, federal, and local laws.

Improve Records Management and Organization

Implement and maintain an efficient system for organizing, indexing, and archiving public records, ensuring ease of retrieval and compliance with retention policies.

Implement Technology Solutions for Efficiency

Adopt and integrate digital records management systems, improve online access to city records, and streamline office workflows to increase productivity.

Support City Officials and Departments

Assist city staff and officials by providing accurate documentation, record-keeping, and research to support decision-making processes.

Promote Professional Development and Staff Training

Provide continuous training and development opportunities for City Clerk's Office staff, ensuring they are up-to-date with legal requirements, technology, and best practices in records management and customer service.

Library

La Marque Library is committed to providing a welcoming and inclusive space where our community can learn, connect, and access the information and resources they need.

Fiscal Year 2026 Goals

Continued accreditation with the Texas State Library for 2026 and beyond.

Expand and strengthen existing partnerships with La Marque Parks Board, Keep La Marque Beautiful Commission, Texas City ISD, and other community organizations.

Establish a training manual focusing on department specific guidelines, procedures, and best practices for new library employees.

Implement an ADA feasibility study to improve access to the library.

Complete repairs/replacements for 4 AC units along with roof replacement/repair.

Continue highlighting the library's role as a connection point in meeting some of the social service needs of the La Marque community.

Fiscal Year 2025 Accomplishments

La Marque Library was an accredited member of the Texas State Library and Archives Commission for 2025. Accreditation makes the library eligible for participation in the statewide Interlibrary Loan Program and allows the library to apply for competitive grants offered through the State Library.

Staff planned and implemented a successful summer reading program with over 30 additional programs added to the June and July calendars. Summer attendance at library programs remained strong.

With the help of six summer interns, Library staff implemented a two-week day camp for La Marque youth. The theme of the camp was Young Explorers, Future Leaders.

The library's strategic plan was revised and updated. The library's Code of Conduct, Circulation, and Computer Use policies were also updated.

Library visitors are now greeted with a stunning new mural, a generous gift from the Keep La Marque Beautiful Commission.

La Marque Library continued hosting Mayor Bell's Small Business Series in 2025. Classes are held every other month and done in partnership with La Marque EDC, the Small Business Development Center, and the Texas City-La Marque Chamber.

Participation in Trunk or Treat was the largest to date with decorated trunks stretching from La Marque Library to Hayley Elementary. Most City departments and several local businesses on Bayou Rd. participated.

Utility Billing

The Utility Billing Department provides billing services for water, sewer, garbage and contributions for Keep La Marque Beautiful Commission and Parks Board. Utility Billing staff provides customer service for the citizens of La Marque. The department is also responsible for billing and collecting the sanitation service provided by Waste Management. The Utility Billing department establishes new service accounts, receives deposits, obtains, and processes bank draft applications, collects insufficient fund checks, completes penalty processing and collects on overdue accounts.

Fiscal Year 2025-2026 Goals & Objectives

- Continue to provide quality customer service
- Encourage customers to sign up for paperless billing and online bill pay
- Audit all utility accounts for any discrepancies in our current software, STW
- Launch the new self-service customer portal for FY25-26
- Begin collection on all outstanding utility billing debt
- Collaborate with internal teams with our shared objectives on enhancing communication and education of delivery of services
- All staff will have appropriate certification and training as well as being given the opportunity and resources for growth and development
- Each team member will implement a development plan every 2 years

Fiscal Year 2025-2026 Accomplishments

- Decreased the number of meters we were reading manually
- Signed a new 5-year contract with Waste Management, which includes the city no longer billing commercial accounts only residential and a 10% franchise fee paid to the city for each commercial account that has trash service.
- Created an updated billing calendar for both cycles
- Installed meters for new development
- Minimized delinquent accounts
- Increased auto-pay enrollments by 20%, reducing manual payment processing workload
- Improved internal operations to provide more accountability
- Streamlined data entry processes, reducing monthly report preparation time
- Each staff member is CPR certified

EDC ORGANIZATIONAL CHART

2025-2026

Economic Development Corporation (EDC)

General EDC Accomplishments - 2025

One of the primary goals is to help create wealth for the City of La Marque. This can be accomplished with a multifaceted approach that partially consists of efforts that assist business expansion, business retention, business recruitment, infrastructure improvement, job creation, capital investment, retail, and industrial development. Economic diversity will help create sustainable wealth for the City of La Marque, which results in the city having the resources to provide better services to residents and businesses.

- Despite a global pandemic and years of I-45 construction, the City of La Marque has realized record sales tax revenues 8 years in a row.
- Also, for the 8th consecutive year, the EDC received a certificate of achievement for economic excellence from the Texas Economic Development Council (TEDC).
- Out of roughly 1,000 members, LMEDC is 1 of only about 10 members in the State of Texas to be recognized by TEDC 8 years in a row.
- The La Marque Economic Development Corporation has aggressively targeted retailers that are not adequately represented in our retail trade area. Efforts to aggressively recruit another grocery store and additional hotels are ongoing.
- Over the past year, the EDC has worked with La Marque businesses that desire to grow within our city limits. Business retention efforts are also ongoing.
- The 2015-2022 strategic plan identified several critical issues. Critical issue number four was community image, and number seven was communication. To address these critical issues, the EDC continues efforts to significantly improve interactions with our citizens. The EDC started to address this by creating a position for a Public Relations Specialist and continuing Inside La Marque are part of the city-wide communication efforts. The EDC is now helping to fund a second position for a City of La Marque Public Relations Specialist. These steps have simultaneously helped to assist us in circulating our good news and relevant information in a timely, meaningful manner.
- The number one critical issue identified in the 2015-2022 strategic plan was blight reduction. As a result, the EDC budgeted funds to help start a blight reduction pilot program. A city employee was hired to help increase efficiency in an effort to aggressively address blight. The EDC also purchased the vacant building at 1130 1st Street and moved its offices to this location. This was done in part to potentially serve as the cornerstone of a greater revitalization effort in our central business district. Texas A&M University, through the Texas Coastal Watershed Program, collaborated with residents, staff, and business owners to develop a customized plan for our business district. The long-term goal is for this area to be renewed so it can continue to be a stable but more vibrant economic engine for our city. Efforts are still underway.
- The EDC board agreed to fund up to \$40,000 for an updated strategic plan - Vision 2050. The EDC has participated in the Vision 2050 planning process in several ways (stakeholder meeting, board meeting, interviews).

- La Marque Renaissance District downtown revitalization:
 - Renovations continue on the exterior remodels of 1130 1st Street and 418 Laurel, thus taking the next steps in revitalizing downtown.
 - LMEDC executed a 3-year lease with Orlando Archibald to backfill 405 Laurel with a coffee shop/beverage lounge concept.
 - The EDC is still in the process of designing a historical mural along the back brick wall at 1130 1st Street. As part of this effort, we are working with city staff regarding a process to collect/archive photos for historical purposes. The City Manager will share a rendering with the Council at the appropriate time prior to work starting.
 - We are working with the Keep La Marque Beautiful Commission to beautify downtown. Through this effort, landscaping at the four corners of 1st Street and Laurel has been installed. All parties have approved the MOU.
 - Extended the 418 Laurel lease with Innovation Safety Solutions (petrochemical industry support business in downtown La Marque) and El Lugar (event center).
- New grant programs
 - The EDC has awarded 12 businesses with the innovative Chamber membership grant.
 - The new Sign Improvement Grant has now been awarded to Simps Kitchen, Galveston County Commercial Warehouses, Cedar Lake Dental, Sid's Grooming, Get Outside Games and Coastal Legacy Conference and Event Center.
- Perception management and community branding:
 - The Open During Expansion campaign was developed to encourage citizens and south Galveston County residents to shop in La Marque during the 1-45 expansion. The goal is to continue this campaign periodically until construction is complete.
 - Campaigns designed to attract commercial real estate brokers and developers are running in regional and national publications.
 - Digital reach and community engagement continue to soar. With 12,000 followers on the City's Facebook page and citizens registering for digital outreach tools daily, all lines of communication are open and running smoothly, including traditional walk-in visits and phone calls. Additionally, the EDC started a Facebook page to further engagement. The EDC Facebook page currently has 1,900 followers.
- La Marque EDC video/advertising projects:
 - **Shine On La Marque** video series launched in January 2019. LMEDC Public Relations Specialist is now filming, editing, and launching new videos in-house. Shine on La Marque is an engaging business spotlight video series with the goal of spreading awareness about unique businesses in La Marque and encouraging the shop local movement. To date, more than 90 videos have been produced!
 - The EDC boosts the videos on Facebook and places them on the EDC webpage as well as YouTube.
 - Business recruitment television commercials specifically targeted to commercial development in La Marque and surrounding areas, including Galveston and Clear Lake. The hope is for additional commercials to run during Astro's games during the 2025 season.

- We are continuing the ad that runs in the Galveston Daily News. This ad is a 10.25” by 2.5” strip ad featured at the bottom of the weather page on Fridays weekly.
- We advertise in Trade & Industry through Due North Media. We ran a three-month digital ad campaign through Due North Media that targeted business owners around the nation. These targeted ads had a total of 73,530 views and 2,126 website visits.
- Inside La Marque is delivered to every business and household in La Marque, roughly 8,700 copies quarterly throughout the year. Since 2016, 29 issues have been produced.
- Streaming radio commercials on iHeart Radio targeted toward business owners in La Marque and surrounding areas, including Galveston, Friendswood, and Clear Lake.
- We advertise in the Houston Business Journal Book of Lists magazine. We also participated in their CEO Connections campaign that connected CEOs from the Galveston/Bay Area region. This gave us digital ads, banners, and one digital article.

EDC Goals for FY 2026

- Continue to innovate business retention efforts.
- Continue business retention and expansion site visits at La Marque businesses throughout the year along with providing chamber membership and sign grants.
- Recruit more retailers and restaurants to locate in La Marque.
- Get additional traction on hotel development.
- Execute targeted marketing campaigns that translate to phone calls and site visits.
