THIS IS THE FIRST AND FINAL READING. (As per Section 1201.028 Texas Government Code)

Finance Director Ms. Kou stated that the purpose of this item was to save taxpayers money, due to a lower interest rate at this time, compared to back in 2005, when the bonds were originally approved. She then introduced Jim Gilley, US Capital Advisors who further explained that the refinancing of the bonds will result in a total savings of approximately \$224,181 over the 15 year life of the bond issue, with an average savings of \$15,000 to \$20,000 per year.

Jonathan Frels, serving as the City’s Bond Counsel further explained that the City would not be allowed to go further with the sale of the bonds if at any time the sales would drop below the savings threshold of about 4%. It also authorizes the refinancing of the refunding bonds. He suggested to continue adopting the continuing disclosure policies.

At this time, at 6:32 p.m. Mayor Hocking asked if any citizen had any questions or concerns

Mr. Michetich asked Mr. Frels what the City’s refining costs are prorated up front, what their charges were each year were for refinancing charges or preparation charges; in which

- f. Introduction of Top Two Finalists for Police Chief and Questions from City Council.
City Manager Carol Buttler had emailed the City Council earlier in the day to say that one of the two finalists had withdrawn his application earlier that day. Vicki King, a candidate for the position of the Police Chief was introduced.

Some of the questions asked by the Mayor and Councilmembers included her reasons for wanting to come to the City to work, “Any Police Executive who really wants to pursue the pinnacle of policing, to be a Police Chief, there is no better place to serve than in a community like this. These bedroom communities are the working class folks, this is where I came from and these are the folks I want to serve.”

Her philosophy on “outreach”, “The success of a Police Department is contingent upon the community and the success of a community is contingent upon having a good, functional, effective Police Department.”

Her approach and philosophy in making the change of coming from one of the largest Police Departments and coming to one of the smallest Police Departments in the nation. The goal is getting to know the community and for the community to get to know her. She would like to begin a needs assessment plan. What are the community expectations of the police department? Bridging the gap between the department and the community, to gather.

1111 Bayou
La Marque, Texas 77568

corporate sponsorships, apply for grants. Dealing with passionate people within the community that might want to help her with her job: As long as the advice and suggestions are lawful, moral and ethical, she should welcome and seek out any advice and input from the community.

LMISD security issues: She said there were several strategies, one being a Reserve Program of retired officers and law enforcement officials that are wishing to maintain their commission and are willing to do volunteer work in areas to provide coverage that the department has to maintain at the same time allowing the permanent police officers to take the leadership roles. There are several corporations that are private foundations that will fund unique programs and initiatives designed to reduce juvenile delinquency, and to increase community safety.

Other areas included how important it is to her that the officers know the laws and ordinances that they enforce; and whether s if hired, if she would continue doing her current consulting business.

CHRISTIAN CENTER OF LA MARQUE QUALIFIES
FOR AN EXEMPTION CERTIFICATE UNDER
SECTION 14-474 OF THE CODE OF ORDINANCES,
CITY OF LA MARQUE, TEXAS.**

It is my understanding that Abundant Life Christian Center [Abundant Life] of La Marque has received a permit from the Federal Communication Commission to construct a low power FM broadcast station on its property in La Marque, Texas.

Abundant Life is seeking exemption status to construct the radio tower without the requirement of a tower permit issued by the City.

I further understand that Abundant Life will grant the City of La Marque as well as the County of Galveston and all Cities within the broadcast range of the station to have in perpetuity the right to use the proposed tower and radio station for communication and emergency warning systems.

Based upon the above information it is my opinion that Abundant Life would qualify for exempt status and would not be required to obtain a tower permit.

Jonathan Frels, serving as the City’s Bond Counsel further explained that the City would not be allowed to go further with the sale of the bonds if at any time the sales would drop below the savings threshold of about 4%. It also authorizes the refinancing of the refunding bonds. He suggested to continue adopting the continuing disclosure policies.

- f. Introduction of Top Two Finalists for Police Chief and Questions from City Council.
City Manager Carol Buttler had emailed the City Council earlier in the day to say that one of the two finalists had withdrawn his application earlier that day. Vicki King, a candidate for the position of the Police Chief was introduced.

Some of the questions asked by the Mayor and Councilmembers included her reasons for wanting to come to the City to work, “Any Police Executive who really wants to pursue the pinnacle of policing, to be a Police Chief, there is no better place to serve than in a community like this. These bedroom communities are the working class folks, this is where I came from and these are the folks I want to serve.”

Her philosophy on “outreach”, “The success of a Police Department is contingent upon the community and the success of a community is contingent upon having a good, functional, effective Police Department.”

Her approach and philosophy in making the change of coming from one of the largest Police Departments and coming to one of the smallest Police Departments in the nation. The goal is getting to know the community and for the community to get to know her. She would like to begin a needs assessment plan. What are the community expectations of the police department? Bridging the gap between the department and the community, to gather.

corporate sponsorships, apply for grants. Dealing with passionate people within the community that might want to help her with her job: As long as the advice and suggestions are lawful, moral and ethical, she should welcome and seek out any advice and input from the community.

LMISD security issues: She said there were several strategies, one being a Reserve Program of retired officers and law enforcement officials that are wishing to maintain their commission and are willing to do volunteer work in areas to provide coverage that the department has to maintain at the same time allowing the permanent police officers to take the leadership roles. There are several corporations that are private foundations that will fund unique programs and initiatives designed to reduce juvenile delinquency, and to increase community safety.

Other areas included how important it is to her that the officers know the laws and ordinances that they enforce; and whether s if hired, if she would continue doing her current consulting business.

TRANSMITTING TOWER FOR ABUNDANT LIFE
CHRISTIAN CENTER OF LA MARQUE QUALIFIES
FOR AN EXEMPTION CERTIFICATE UNDER
SECTION 14-474 OF THE CODE OF ORDINANCES,
CITY OF LA MARQUE, TEXAS.**

It is my understanding that Abundant Life Christian Center [Abundant Life] of La Marque has received a permit from the Federal Communication Commission to construct a low power FM broadcast station on its property in La Marque, Texas.

Abundant Life is seeking exemption status to construct the radio tower without the requirement of a tower permit issued by the City.

I further understand that Abundant Life will grant the City of La Marque as well as the County of Galveston and all Cities within the broadcast range of the station to have in perpetuity the right to use the proposed tower and radio station for communication and emergency warning systems.

Based upon the above information it is my opinion that Abundant Life would qualify for exempt status and would not be required to obtain a tower permit.

LIBRARY DEPARTMENT

La Marque Public Library

Report for October 30th – November 24th

Mission: The LMPL provides materials and services to help community residents obtain information to meet their needs: personally, educationally, and professionally. Special emphasis is placed on supporting students at all academic levels to stimulate the minds of young children in reading and learning. "The Library serves as a learning and educational center for all residents of the community." (ALA Planning and Role Setting for Public Libraries, 43)

The LMPL is open to the public 39 hours a week. We had a total of 1,847 visitors in the Library.

Our top 200 members checked out a total of 1,002 items!

This month alone, patrons have saved a total of \$19,827.71 by checking out items at the LMPL!

Items

LMPL staff processed and added a total of 69 items to our collection.

Circulation Statistics

We had total of 1,290 items circulate this month! Based on our circulation stats, Tuesday was our busiest days of the week.

Overdrive eBooks - 25

We had a total of 14 ILLs (Interlibrary Loans-Shipped and Received).

Online Catalog Usage

There were 620 external searches performed via our online library catalog (Biblionix).

Computer Usage

Current LMPL patrons are allotted 2, 1 hour sessions based on availability. Library visitors who are not current patrons are allotted a 30 minute session at our stand up computers, based on availability.

Guest log-ins are issued to community members and visitors who do not have an active library card. All library visitors that do not have a library card have to show proof of ID to use guest computers. We urge all library visitors to obtain a library card for future usage.

There were a total of 894 patron log in sessions. Total computer time used by patrons was 537 hours.

Patrons use the library computers for job searches, completing applications, creating resumes, checking emails, accessing various documents (bank statements, tax info, W2 forms, pay checks, etc), and surfing the web.

Reference Assistance

The LMPL staff provides reference assistance to our patrons by answering a variety of questions. We answered a recorded 434 questions.
