****Councilmember Trube moved to approve the Minutes of the Regular Meeting held on May 13, 2013, Workshop Minutes of June 10, 2013; and Minutes of Regular Meeting held on June 10, 2013, with the insertion of Councilmember Osteen's corrections. Councilmember Brown seconded the motion. Motion passed unanimously.**

(5) CITIZEN'S PARTICIPATION

Comments from the Public (At this time, any person with city-related business who has signed up may speak to Council (limited to three (3) minutes). In compliance with Texas Open Meeting Act the City Council may not deliberate on comments. Personal attacks will not be allowed, and personnel matters should be addressed to the City Manager during normal business hours.

- a. Geraldine Sam said that she is disappointed and wants City Council to stop being wishy-washy and to be honest about the financial woes that the City is in; the incurring of future debts; would like to see the citizens made aware of where the City stands so that it can move forward.
- b. Jake Feigle stated that he doesn't want to see the City go back to the way it was before. He feels that if the ordinance concerning the abandonment of the right of way was passed at the

1111 Bayou
La Marque, Texas 77568

last meeting, the way it was read, the City would have been in violation of its own ordinance. He said that he was proud of this Council, and wants to see it continue to move forward.

(6) PRESENTATION

a. Recognition – New City Employee – Frank Adams

**Mayor Hocking recognized Frank Adams, the new Firefighter/Paramedic in the Fire Department.

b. Proclamation – Fifty Club ‘Officer of the Year’ – Detective Sergeant Shawn Spruill

**Mayor Hocking read and presented a proclamation to Detective Sergeant Shawn Spruill for his outstanding accomplishments

(7) PUBLIC HEARING

a. To receive public input regarding proposed Ordinance No. **O-2013-006**, An Ordinance of the City Council of the City of La Marque, Texas, providing for the vacating, abandonment, and closing of a portion of a 60 foot right-of-way, lying North of FM 519, out of the Grebb Addition Subdivision.

** Mayor Hocking closed the Regular Meeting and opened the Public Hearing at 6:14 p.m.

Geraldine Sam said that she objects to the passing of the ordinance, and that it states that if one person opposes this abandonment, the ordinance shall not be passed. She also stated that City Council should stand behind the zoning ordinances.

Chris Colombo said the Planning and Zoning Commission makes recommendations to City Council but that City Council can override their recommendation. City Council has the final say.

** Mayor Hocking closed the Public Hearing and reconvened the Regular Meeting at 6:17 p.m.

(8) OLD BUSINESS

a. **Councilmember Trube made a motion to approve the second and final reading of Ordinance No. **O-2013-006**, An Ordinance of the City Council of the City of La Marque, Texas, providing for the vacating, abandonment, and closing of a portion of a 60 foot right-of-way, lying North of FM 519, out of the Grebb Addition Subdivision.

City Attorney Ortego stated the Planning and Zoning Commission recommended the abandonment of the right-of-way, and that right-of-ways are not objective to a driveway or curb cut. It was said that the owner could go through TxDOT and obtain a permit to have access to the property.

1111 Bayou
La Marque, Texas 77568
409.938.9202

Councilmember Osteen referred to a letter that was received the previous week in relation to a lawsuit being filed against the City regarding the abandonment of this right-of-way. He does not want to see the City in a lawsuit or to violate one of the City's own ordinances.

Councilmember Bell said that he appreciated the time the City Attorney took in gathering the case law information and providing it to City Council. But, since the information was provided at such short notice of the Council meeting, he would like for City Council to have some time to review it, in order to provide due diligence in resolving all questions before making a final decision. He stated that the owner and his attorney have played by rules and doesn't understand why

all interested parties have not been able to sit down, discuss and resolve the issues. The City should want to take the extra step to ensure that everyone understands the interpretation of the ordinance.

It was determined the case law presented by the owners, pertained to cities that are 'general law' and 'home ruled' cities are a little different.

Building Official Ana Tims said that this has been an issue for a couple of years, and the two property owners were advised to work something out, but as far as she knew they had not settled anything yet. She said that if the owners request would be to move the portion that he wants to abandon one foot down it wouldn't be in violation of the current abandonment ordinance.

No one from either side of the abandonment issue was in attendance at the meeting.

Mayor Hocking asked if the first and second motion could be withdrawn in order to have more time for the two parties to possibly get together and reach an agreement and also give Council time to review the information that had just been given to them.

Councilmember Trube withdrew her motion. Councilmember Brown withdrew his second motion.

Motion was made by Councilmember Brown to table this item until the next City Council meeting. Seconded by Councilmember Osteen. Motion carried 4 to 1, with Councilmember Trube voting in opposition.

(9) NEW BUSINESS

a. Discussion/possible action providing a Managed Fleet Program for the City of La Marque.

****Alan Caswell and Brian Cox of Enterprise Management presented two (2) options on a Fleet Management Program; one extremely aggressive option (replacing all of the fleet of thirty-eight vehicles with the exception of the first response vehicles) and the second being a very conservative approach (replacing seventeen vehicles the first year, with a ten year plan for the maintenance and replacement of the others within that time frame). The two options were explained in detail and comparisons were made on each of the options.**

1111 Bayou
La Marque, Texas 77568
409.938.9202

**Staff was directed to move forward with the plan of having a managed fleet program with no vote taken to choose one option at this time.

b. **Councilmember Trube made a motion to approve the recommendation of the Parks Board approving a Letter of Agreement between La Liga Soccer League and the City of La Marque regarding the use of the Highland Bayou Soccer Fields Seconded by Councilmember Osteen. Motion carried unanimously.

c. **Councilmember Osteen made a motion to approve Resolution No. R-2013-009 for the reappointment of City of La Marque Alternate Municipal Judge Carlton Getty.
**Seconded by Councilmember Trube. Motion carried unanimously.

d. **Councilmember Bell made a motion to approve Resolution No. 2013-0010 for the reappointment of City of La Marque Municipal Prosecutor Robert J. Barfield.
**Seconded by Councilmember Trube. Motion carried unanimously.

e. Discussion/possible action amending Ordinance No. O-192, An Ordinance of the City of La Marque, Texas providing for the installation of additional stop signs at the intersection of Fannin Street and Houston Drive West, making it a four-way stop. Since there was no ordinance prepared, there was no action taken at this time.

f. Discussion/possible action of the 2012 Audit- CAFR

Robert Belt of Belt Harris Pachacek presented the 2012 Comprehensive Annual Financial Audit and referred to page 13, which is the Independent Audit and a clean and qualified opinion and is the highest level of assurance that he can give as an auditor and that all transactions financial statements are materially correct. Fund balance is the primary health indicator of an governmental entity, and typically it is recommended to have an operating reserve balance of a 60 to 90 days, and the City currently has an operating budget of about 1.5 months. He also said that in speaking with the City's management, they are actively pursuing that. The question was asked, is the City of La Marque broke? According to the auditor, he sees no characterizations of the City as being broke.

Mr. Belt continued to summarize the findings of the annual audit, including schedules of revenues, expenditures and fund balance of the General Fund and the Utility Fund. Total revenues came in a little lower than what was anticipated, but the expenditures also came in under what was anticipated to offset the total ending balance in the black. Federal Government funding was discussed, as well as qualified and unqualified opinions were discussed. Since the City of La Marque expended over a certain amount of federal grant monies during the period the audit covered, a Single Audit was also required. Two opinion letters within this report, one pertains to internal controls, the other relates to laws and regulations. There were significant findings in the federal grants area, relating to failure to follow cash management requirements and disbursement of federal funds, failing to identify invoices subsequent to year end, and those caused the City to be non-compliant. At which since then, both have been corrected. The City

1111 Bayou
La Marque, Texas 77568
409.938.9202

didn't qualify as a low risk 'auditee', in this being the City was to have been audited yearly for the past three years with no exceptions and no high risk programs. It appears that 80-85% of the findings were based on lack of a policy or procedures in place in order to be in compliant or that they were not following the policies or procedures.

Further discussion continued concerning the recording of transactions in which a portion of court revenues are sent to the State and also the reporting process. Delinquent accounts being written off in different departments was discussed. Segregation of duties by reassigning tasks so that one person does not handle all of the aspects of a transaction was discussed. It was determined that it is an on-going and difficult challenge to achieve this in a City the size of La Marque, but it is very important to try to do so. Cost benefits analysis should be considered, be it restriction of software or through additional personnel. Removal of city staff from signing off on certain types of account transactions was discussed. A few areas that were also discussed concerned payroll and human resource functions, the access to make adjustments to the utility billing bills, and to add or to edit vendors, which deals with permissions within the system. It was determined that the current purchasing policy is being discussed and reviewed by the City Manager and Finance Director which will come before City Council in the near future. The required number of quotes, the bid process, and the conflict of interest questionnaire for vendors was also discussed. City staff not having access of online banking, transfers and other banking transactions was discussed. The high turnover of employees in this area was found to be a major reason for this.

Mr. Belt reported that a tremendous amount of changes have taken place since this audit was performed to correct many of the inefficiencies. Management has prepared an action plan and maybe a workshop could be in the future.

Mr. Belt said that based on the information that was provided to them for making their unqualified opinion, the financial numbers that have been provided are good to begin from this point forward, and commended the Finance Director for her in getting ready for the audit.

** Councilmember Trube made a motion to accept the CAFR as presented. Seconded by Councilmember Osteen. Motion passed unanimously.

g. Discussion/possible action regarding a separation of cash into separate bank accounts of the City of La Marque and the La Marque Economic Development Corporation. The discussion followed summarizing the recommendation by the EDC. If the accounts were separated there is a possibility of losing part of the interest accrued, and to possibly wait until the end of the year. The discrepancy that was found in the accounts was found by the Finance Director and has been since corrected.

Mr. Ron Crowder, the Chairman of the EDC wanted to clarify that all money that comes in City through sales tax is identified as the "City's money", all going into the same "pool." The concept over how the money is handled, doesn't matter to him one way or another. It does allow the City to earn a better rate of interest by keeping it all in one account.

** Councilmember Bell made a motion to separate the two bank accounts beginning January 1, 2014. ** Seconded by Councilmember Osteen. Councilmember Brown and Trube voting in opposition. Motion carries 3 to 2.

Department: Public Works & Utilities

AGENDA ITEM DESCRIPTION: Discussion/ possible action on the City's Contributions in the amount of \$ 44,035.00 toward the payment of 2012 TDRA Sanitary Sewer System Rehabilitation TXCDBG No. 712171 KSA Engineering Project No. LMQ.003

Attachments for Reference

1. Copy of Utility 22 Budget Line Item

Staff Briefing: Staff is requesting additional funds in the amount of \$44,035.00 to supplement the \$350,000.00, which is the maximum amount received for the 2012 TDRA Sanitary Sewer System Rehabilitation TXCDBG No. 712171. Due to the significance of the repair and maintenance needed to the sewer system it is staff's recommendation to fund this additional amount to fully complete the project.

- The federal CDBG grant scope of work can be reduced, to scale back the quantities of pipe replaced to meet the \$350,000.00 grant.
- The footages bid for this project are included in the City's SSO Rehabilitation Program, in which Council agreed to participate.
- If the City chooses at this time not to fully fund the entire project, the unfunded portions will be required at some point through the SSO Program.

History (if applicable):

- The 2012 TDRA Sanitary Sewer System Rehabilitation TXCDBG No. 712171 allocation was in the amount of \$350,000.00.
 - This engineering estimate and the grant application submitted were developed in 2010.
 - At this time, the low bid of \$394,035.00 is \$44,035.00 more than the CDBG 2012 grant.
 - Due to the overage, the City is going to be required to fund the difference to complete the project.
 - If we do not provide additional funding, the City has an option to reduce the scope of work to reduce project cost.
 - The City's required matching funds of \$70,000.00 was previously approved through City Council on December 10, 2012 to pay Public Management and on January 28, 2013 to pay KSA for engineering services.
 - Staff has met with the City Manager and it has been determined that Utility Funds are available to fund the additional cost.

TxCDBG No. 712171
City of La Marque, Texas

Dear Mr. Morgan:

Bids for the above referenced project were received at 10:00 a.m. on Thursday, June 20, 2013, at City of La Marque, City Hall and publicly read at the same time, date, and location. KSA Engineers, Inc. has reviewed the bids and prepared a Bid Tabulation indicating bid results. The Bid Tabulation is enclosed for your review. Five (5) bidders submitted bids. All five bidders submitted the required bid bond and all have received the addenda.

The low bidder for the project is Horseshoe Construction, Inc. of LaPorte, Texas. From a review of the qualifications submitted with the bid proposal, the low bidder appears to be qualified to perform the work required and is ready to proceed if so awarded. KSA has worked with the low bid contractor on previous projects. KSA was able to speak with two references provided. They both provided positive recommendations for Horseshoe Construction, Inc. and stated they were competent to construct the Sanitary Sewer Rehabilitation for the City of La Marque and have done similar pipe bursting projects for other cities.

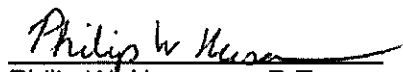

The award can be as follows:

Low Bidder	Low Bid
Horseshoe Construction, Inc.	\$394,035.00
Total Award:	\$394,035.00

If the City of La Marque awards this contract, our office will issue a notice of award to the low bidder and prepare Contract Documents for execution by the Contractor and the City of La Marque.

KSA looks forward to working with the City of La Marque during the construction phase to ensure a quality job for this project. If you have any questions about the Bid Tabulation or this Award Letter, please let us know.

Sincerely,
KSA ENGINEERS, INC.

Philip W. Huseman, P.E.

Ordinance O-2013-007 with Exhibit

Map of Parade Route

Staff Briefing: Staff is requesting Budget Fund Balance transfer in Hotel-Motel Fund Revenues to establish an expenditure funded line-item to purchase Christmas decorations. City staff is requesting funds again this year to continue with the purchase of new decorations to enhance the parade route and Walter Feigle Park (WFP). Staff has prepared a cost option 1 and cost option 2. Cost option 1 will limit the number of new decorations along the new downtown parade route. Cost option 2 will establish lights throughout the entire parade route.

Option 1

- o 14 power pole up-grades with 14 new dekra light ornaments - \$34,000.00
- o Improvements to the electrical located at WFP - \$2,000.00
- o Decorations to enhance the Christmas tree, City Hall, WFP - \$3,700.00
- Total: \$39,700.00

Option 2

- o 28 power pole up-grades with 28 new dekra light ornaments - \$68,000.00
- o Improvements to the electrical located at WFP - \$2,000.00
- o Decorations to enhance the Christmas tree, City Hall, WFP - \$3,700.00
- Total: \$73,700.00

Amending the budget requires an ordinance.

History (if applicable) In the 2011-2012 Budget, 14 Christmas decorations were purchased and electrical weather-head upgrades were made to enhance the Christmas Parade route. These decorations were purchased through the Hotel/Motel Fund for approximately \$37,500.00.

Target Implementation: July 8, 2013

Significant Action Dates: City staff needs to start the purchasing process in July to meet the deadlines for ordering decorations and renewing/up-grading the TNMP Pole Agreement.

Cost breakdown for Electrical Up-Grades

Map of Bayou Fest Proposed Electrical Up-Grades

Staff Briefing: Staff is requesting amending the budget for Hotel-Motel Fund to increase line-item #10-4070-00-01 Bayou Fest expenditures. This electrical up-grade will supply the proper power to support the existing electrical power at Highland Bayou Park for Bayou Fest. City staff in conjunction with the Parks Board has developed a two-year growth plan. At this time, the existing electrical transformers are under-sized to handle any additional growth. Attached is a quote referencing three scopes of work. The first phase of growth for this year will consist of scopes one and two at a cost of \$18,519.00. The second year plan is to add an additional 42 cook-off teams at a cost of \$30,281.00.

Amending the budget requires an ordinance.

History (if applicable): In past years, the electrical connections were furnished and paid for through the Parks Board dollar donations. The electrical system was up-graded to meet new electrical codes after Hurricane Ike.

Target Implementation: July 8, 2013

Significant Action Dates: City staff is trying to move forward to complete the up-grades and expansion by September.

**To act in the best interest of the City
To consistently demonstrate respect to Staff
To invest our resources effectively for our future
To handle our disagreements/conflicts in a
Respectful manner that keeps our Image
Positive with the public and each other**

TO: Honorable Mayor Hocking and City Councilmembers
FROM: Carol Buttler, City Manager
DATE: July 8, 2013
SUBJECT: City Manager Report – June 2013

Reminder:

1. The Mayor's Report is presented at the last Council meeting of each month.
2. City Council requested data charts be presented at both Council meetings each month.
To accommodate this request, I present information from the last meeting of the previous month again for the first meeting of each month.

a. City Manager

- Held meeting on Fire & Police Collective Bargaining
- Budget Meetings with different departments
- Met with Department Heads on agenda items.
- Met with Jim Webb/ New Freedom Grant and Health Buildings

b. Finance

- Staff is working with STW and Regions Bank to allow utility customers to participate in bank drafting services to avoid late charges due to past due bills. This is strictly voluntary on the customers' part. It provides an additional option to ensure prompt payments of utility bills. The only cost to implement this would be \$460 of labor according to STW. The City currently has sufficient earned interest credits from Regions Bank to allow for this type of service at minimum cost. If possible, we hope this can take effect by September after we successfully complete the testing phase. Currently we are still in the planning phase.

c. Judicial

- See attached report.

d. Public Safety

- **Personnel:**

LMPD:

There are three (3) Police Officer vacancies. Currently the hiring list is depleted: an entry-level Civil Service Examination is advertised and scheduled for July 10, 2013.

There is one (1) Telecommunicator vacancy: a selection process is underway. A Sergeant's examination (one vacancy) is scheduled for August 7, 2013. Due to Patrol Officer shortages Sergeant Chad Waggoner and Narcotics Officer Forrest Gandy have been temporarily assigned to work in uniform with the Patrol Services Division.

- **Training:**

- **LMPD:**

- The following personnel attended and completed training courses as indicated: Officer Gilberto Rodriguez: *Intermediate Use of Force*; Officer Domingo Montanez: *Sexual Assault Family Violence*; Sergeant Marcus Cravens and Traffic Enforcement Officer Jesse Guzman: *Intervention Training Update*.

- **Operations:**

- **LMPD:**

- Chief Aragon has submitted 1st drafts to the City Clerk regarding the development of an ordinance relating to regulating garage sales and prohibiting basketball courts on the city rights-of-way.

- Overtime Justification Summary for Preceding Month: shortage of Patrol Officers.

- **Emergency Management Coordinator (EMC) Operations:**

- On 6-19-13, Chief Aragon was one of the program speakers at the Chamber of Commerce *Annual Hurricane Preparedness Luncheon*. Chief Aragon provided an overview of La Marque's progress relating to emergency management operations for this year's hurricane season.

- **Personnel:**

- **LMFD**

- Assumption of Command: New Interim Fire Chief/Fire Marshall: Gerald Grimm. Chief Grimm started employment with LMFR on June 24, 2013. Chief Todd Weidman departure on 06/26/13.

- There is one (1) Firefighter vacancy. The open position would replace Michael Goff.

- **Training:**

- **LMFD**

- Training was completed by all shifts on the King Vision Intubation Equipment. Training was administered by BoundTree Medical.

- **Operations:**

- **LMFD**

- Engine 1 is due for quarterly maintenance. The quotes have been obtained and service will be performed once approved.

- **CDBG Round 2.1 Disaster Project**

- Project is moving forward under the established time line for the Waterline Interconnect; TCH Construction is scheduled to start the project on Wednesday, July 10, 2013. The starting location will be the bore under IH-45 from Cedar to Duroux.

The sewer line project does not have any significant changes for re-bidding.

Schedule for Round 2.1	Advertise	Bid Opening	Award	Construction Start	Construction Finish
Waterline Interconnect	3/12/2013	4/2/2013	5/13/2013	June 2013	12/31/2013
Sewer Line Improvements	3/26/2013	4/16/2013	Rejection of bids 5/13/2013	Pushed back due to re-bid	Federal deadline for completion Feb. 2014

CDBG Round 2.2 Disaster Project

LJA Engineering has completed 30% of the required engineering for all of the Round 2.2 projects. Due to meeting the 30% milestone, the environmental audit will begin on these locations in June.

Schedule for Round 2.2	Advertise	Bid Opening	Award	Construction Start	Construction Finish

CDBG Non-Disaster Sewer Grant

Bid tabs and award recommendation were prepared for the July 8th Council meeting for approval.

Sam's Store Construction Site – Sam's Real Estate Business Trust in conjunction with Westbound Bank have submitted an Escrow Agreement (Road, Utility and Drainage Ditch Dedications). These documents will need to be reviewed by city staff and the city attorney prior to submittal for Council's approval.

Hall's Super Highway Development 3600 Gulf Freeway – There has not been any significant development or actions at this time.

TCEQ - 10 Year Sewer System Evaluation Program – The approved SSO Program contract was submitted to TCEQ with the City Manager's signature. City staff did request minor changes that were pointed out at the June 10th Council meeting.

Family Dollar – City staff met with TDOT in reference to the development of the city road right-of-way located to the east of the property. TDOT is requiring this road cut to be developed as Family Dollar's entranceway off of FM 1765. Additionally, city staff has reviewed the civil plans and is requesting the ditch along Byrd to be developed as part of the project.

Stage 2 Drought – On July 1, 2013, the City of La Marque increased its Drought Contingency to Stage 2 requirements. On Thursday, June 20th, City staff attended a Gulf Coast Water Authority (GCWA) Board meeting. During the meeting information was relayed to the Board of Directors regarding stored lake water. The report indicated that 500 cubic feet per minute was being released out of lakes to maintain flow within the Brazos River. At this time, the stored lake water will sustain approximately three (3) months of flow to the raw water pump station located on the Brazos River.

June 1 - 30, 2013 Water Usage Amounts

30 day average was 2.61 million gallons a day- 94% of capacity

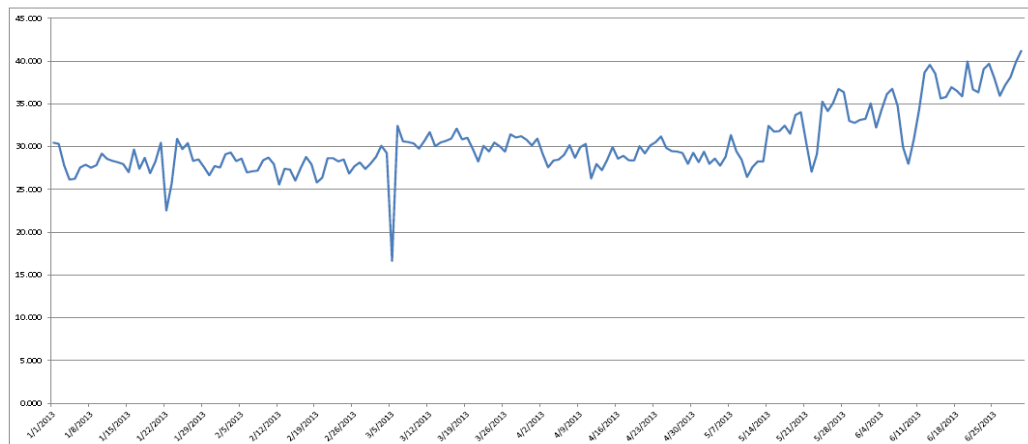

Peak day usage was 3.18 million gallons a day- 114% of capacity

Minimum day usage was 2.29 million gallons a day- 82% of capacity

Per Ivan Langford @ GCWA – July 1, 2013 e-mail to Director of Public Works

Please see the attached graph. As you can readily see, a call for voluntary water conservation is not working. As I stated last week; there is no run of the river water in the Brazos, we are using our Brazos River Authority stored water – too fast. Please review YOUR water conservation and drought contingency plans AND please take positive action this week to “spread the word” among your customers. IF we do not see a drop in water consumption this week; it is likely I will ask each of you to move to Stage 3 of your Drought Contingency Plan – this should be no more than once a week lawn watering. My TARGET is to keep the flows below 35MGD – for now. If drought persists, you need to be prepared to move to Stage 4 which should prohibit all outdoor water use. I understand some communities will want to move to ground water or combination of both – your call, just so long as surface water consumption continues to drop.

SUMMARY OF INCIDENT (Specifically address the type of defensive action used):

The arrestee was issued a Criminal Trespass Warning for 1607 Nashby and refused to leave the location. This officer advised the arrestee several times to leave the premises and she continued to refuse. This officer then advised the arrestee to turn around and be handcuffed. At that time, the arrestee refused to place her hands behind her back and was resisting by attempting to move her arms forward as this officer was attempting to place them in the handcuffs. This officer was still able to place handcuffs on the arrestee's wrist. The arrestee then attempted to fall down on the floor. At that time, this officer secured the arrestee's upper torso, and escorted her to a marked patrol unit parked outside. The arrestee was then transported to this agency. Upon arrival to this agency, the arrestee had removed one of the handcuffs during transport. At that time, this officer again secured the arrestee's handcuffs while she was resisting by twisting her body.

Explain why it was necessary to use defensive action specified above:

The arrestee was combative and refused verbal commands.

Explain why defensive action used was reasonable:
Reasonable force was used to prevent injury to arrestee and officers.

Explain consequences (injury, damage, etc.) that resulted from the use of defensive action:
There was no injuries during this defensive action.

Post Care Action Performed by Reporting Officer:
The arrestee was transported to Mainland Hospital due to High Blood Pressure complaint.

If subject was not injured, document observations and/or any statements made by suspect, that indicate subject was not injured:
This office did not observe any physical signs of injury on the person of the arrestee during transport to and from Mainland Hospital.

SUMMARY OF INCIDENT (Specifically address the type of defensive action used):

At approximately 0905 hours, on above date, this officer was at the PD when Officer Dricks advised an officer distress call in the jail. This officer was first to respond on location where handcuffs were applied to offender after learning of offender resisting and biting Officer Dricks. This officer, after applying handcuffs, assisted offender to her feet and escorted her to cell 1. This officer gave verbal commands to offender to kneel down and cross her ankles at least twice, but refused to comply. This officer then completed a leg sweep and eased offender to the ground. This officer then double-locked the handcuffs and left cell 1 and secured the door. This officer, before leaving the cell door area, ensured offender was sitting upright and not lying prone. La Marque Medic 1 arrived on location to evaluate 548 injury to his right thumb and to check on offender, who declined medical attention. Approx 20 min later, handcuffs were (cont. below)

Explain why it was necessary to use defensive action specified above:

removed by this officer and allowed offender to sign her citation without further incident. Office Dricks was present during the defensive action and signature of citation.

It was necessary due to use defensive action due to previous verbal non-compliance with Officer Dricks as well as with this officer, being the subject was intoxicated and already physically combative with Officer Dricks. This action was also done for this officer's safety in attempt to remove the handcuffs from offender.

Explain why defensive action used was reasonable:

The action was reasonable due to constant verbal non-compliance to this officer whereas this officer was attempting to demonstrate this officer's safety while removing the handcuffs from offender.

Explain consequences (injury, damage, etc.) that resulted from the use of defensive action:

None to report. Offender declined medical attention as dispatched by this officer for both offender and Officer Dricks.

Post Care Action Performed by Reporting Officer:

None.

If subject was not injured, document observations and/or any statements made by suspect, that indicate subject was not injured:

This officer requested medics to the jail for both Officer Dricks and for the offender. Officer Dricks was seen by medics, but offender declined. Offender did not request medical attention, but was offered anyways. During the signing of the citation, offender stated that her left arm and head feels sore and bruised.

SUMMARY OF INCIDENT (Specifically address the type of defensive action used):

This officer conducted a traffic stop in which _____ was the driver. Dispatch advised this officer _____ was wanted for a TCIC Parole Board Warrant. _____ pulled away from this officer attempting to flee while this officer was attempting to place _____ under arrest. This officer grabbed _____ by the right arm and jacket while he was attempting to flee, taking him to the ground between the vehicle he was driving and this officers patrol vehicle. This officer wrestled with _____ who was refusing to bring his hands back while on the ground. This officer was able to pin _____ to the ground by shoving his right shoulder into the ground while this officer had him face down on the ground. This officer continued to try and bring his right arm behind him and he continued to resist and repeatedly attempted to push himself off the ground. This officer finally was able to gain control of his right arm and placed him under arrest.

Explain why it was necessary to use defensive action specified above:

_____s attempt at fleeing, resisting and refusal to obey commands necessitated the above actions of this officer.

Explain why defensive action used was reasonable:

██████'s attempt at fleeing and resisting required this officer to use a reasonable amount of force to effect the arrest.

Explain consequences (injury, damage, etc.) that resulted from the use of defensive action:

██████ received a road rash injury to his right shoulder from the roadway where he landed during the initial take down.

██████ also received scrapes to his left knee from the initial take down.

Post Care Action Performed by Reporting Officer:

██████ refused any treatment for the injuries. Photographs were taken of the injuries while in the jail.

If subject was not injured, document observations and/or any statements made by suspect, that indicate subject was not injured:

LIBRARY DEPARTMENT

La Marque Public Library

Report for May 1, 2013-May 31, 2013

Mission: The LPL provides materials and services to help community residents obtain information to meet their needs: personally, educationally, and professionally. Special emphasis is placed on supporting students at all academic levels to stimulate the minds of young children in reading and learning. "The Library serves as a learning and educational center for all residents of the community." (ALA Planning and Role Setting for Public Libraries, 43)

The LPL is open to the public 30 hours a week. We had a total of 2356 visitors in the Library.

We have a total of 1369 active patrons in our system that uses the library on a regular basis.

Our top 200 members have checked out a total of 1452 items.

This month alone, patrons have saved a total of \$29,907 by checking out items at the LPL!

Items

LPL staff processed and added a total of 162 items to our collection.

Circulation Statistics

We had a total of 1667 items circulate this month. Based on our circulation stat, Thursday was our busiest day of the week. Of the 1667 items circulated, 130 items were renewals.

Currently we have a total of 761 items checked out that are not overdue items.

We had a total of 9 ILLs (Interlibrary Loans).

Online Catalog Usage

There were 2377 external searches performed via our online library catalog (Biblionix).

Computer Usage

Current LPL patrons are allotted 2, 1 hour sessions based on availability. Library visitors who are not current patrons are allotted a 30 minute session at our stand up computers, based on availability.

Guest log ins are issued to community members and visitors who do not have an active library card. All library visitors that do not have a library card have to show proof of ID to use guest computers. We urge all library visitors to obtain a library card for future usage.

There were a total of 491 patron log in sessions and 267 guest log ins. Total computer time used by patrons was 465 hours and 50 minutes, with each patron spending an average of 40.7 minutes on the computer.

Patrons use the library computers for job searches, completing applications, creating resumes, checking emails, accessing various documents (bank statements, tax info, W2 forms, pay checks, etc), and surfing the web.

Reference Assistance

The LPL staff provides reference assistance to our patrons by answering a variety of questions. We answered a recorded 195 questions. Reference questions range from “how do I get a library card” to “where can I locate divorce or tax forms”. We are currently researching a system that will record every reference question in categories.

Volunteers

We currently have 3 regular volunteers, 2 of which are a part of the Lions Club. Our volunteers worked at total of 13.5 hours.

Training/Professional Development

The LPL Staff attended in house training hosted by the Library Director on TexShare Databases (Learning Express, Job Career Accelerator, and eBook)

Programs/Outreach

Our Children's Librarian has visited 4 child care facilities with a total of 135 attendees this month to promote library services and discuss information regarding our Summer Reading Program which will begin in May.

From May 29th-May31st we have registered a total of 61 children for Summer Reading 2013.

Our Library Director joined the La Marque Lions Club.

Our Library Director has also made contact with a computer instructor to assist with developing an Adult Computer Literacy Program for LPL. This program will start June 10th and will run for 12 weeks.

Meetings Attended

The LPL Staff has a staff meeting the last Friday of each month.

Our Library Director attended the Lions Club Meeting on Wednesday, May 14th.

Our Library Director also attended the City's Emergency Management Meeting on May 21st.

The LPL Staff and City Manager met with La Marque Aid and Guidance and the Mosaic Center on May 23rd regarding the Life Skills Program

Other Services Provided

- Printing
- Faxing
- Copying
- CD/DVD Restoration (in planning stage to provide this service for additional city revenue)
- Laminating
