1111 Bayou
La Marque, Texas 77568
409.938.9202

1) Geraldine Sam questioned the financial debt that the city incurred in the 2012-2013, and asked whether the debt would be written off. She thanked everyone for working hard to get the budget ready.

Mayor replied that the city has no bad debt and that the budget is balanced.

Mayor Hocking closed the Public Hearing and opened the Regular Meeting at 6:39 p.m.

(7) NEW BUSINESS

a) Discussion/possible action authorizing the Mayor to execute grant documents of the City of La Marque's continued participation with Galveston County Auto Crimes Task Force (GCACTF) grant FY 2013-2014.

**** Councilmember Bell made a motion to authorize the Mayor to execute grant documents of the City of La Marque's continued participation with Galveston County Auto Crimes Task Force (GCACTF) grant FY 2013-2014.**

****Seconded by Councilmember Brown. Motion carried unanimously.**

Attention was brought that the City of La Marque wasn't mentioned in the backup program narrative, and the representative was asked what this grant did for La Marque.

Mr. Lieutenant Tommy Hansen of Galveston County read and then provided City Council with some additional information pertaining to the City of La Marque (Attachment "A")

(8) OLD BUSINESS

****Motion was made by Councilmember Bell to approve Ordinance O-2013-009 by removing the sentence, "A sign advertising a sale can only be placed on the property where the sale is occurring." **Councilmember Osteen seconded the motion. Discussion followed concerning the possibility of increasing or reducing the fee, decreasing the number of sales allowed per year, and also what the surrounding cities charged for a garage sale fee. Motion carried 4 to 1, with Councilmember Brown voting in opposition.**

(9) CITY MANAGER'S REPORT

- Administration
- Development Services
- Judicial
- Police
- Fire
- Public Works

1111 Bayou
La Marque, Texas 77568
409.938.9202

Councilmember Trube brought up a few questions about the Public Works Report and the Judicial Report. She asked if the city was going to issue a stage-3 water drought notice, and was told that it was being closely monitored. She questioned the amount of money being collected by Linberger versus the amount being brought in by the City Marshall on warrants. Linebarger is collecting old uncollectable warrants and the City Marshall was collecting on the newer warrants. With the City Marshall helping out with Code Enforcement, it was actually working hand in hand in the locating citizens that have warrants. She asked for a report that would indicate addresses and fine amounts moving beyond city walls and shows how much the city sees of each warrant payoff. She also stated she was glad to see a report on Intermedix.

A citizen was allowed to speak during this time.

Faye Selly, a resident of Texas City and a homeowner of two properties in La Marque said she was glad to see that the city was going to regulate garage sales, that there were a few addresses within the city that seemed to be having garage sales perpetually.

Councilmember Bell commented on overtime in the Fire Department, and will try to and find out where the issues were and try to curb or lower that number, saying that it puts a strain on the public servants emotionally, physically and mentally and effects their social well-being. He asked Mike Morgan about 'New Hope'. Mr. Morgan provided Councilmember Bell with an update.

(10) REQUESTS AND ANNOUNCEMENTS

Councilmember Trube thanked everyone for attending and hanging in through the budget progress, and suggested having three workshop days next year.

Councilmember Brown stated that he accumulates more recycling in the two week period than he does his regular trash and asked if there could be another recycling pickup day; and to maybe have it a future agenda or workshop item.

Councilmember Osteen had a question about the ad that was placed in the Galveston News by Galveston County concerning the total tax rate not being part of the ad. He also questioned the total payroll line, it appears that it had increased from year ending of last year to what is requested for 2014. He was advised that the total payroll line reflects all of the vacant employee positions back into the budget from those estimated for the end of this year, what was proposed 2012-2013 year. An additional workshop will be scheduled for another date concerning some of these issues.

Councilmember Bell congratulated all the businesses for their awards. He thanked members of staff for staying those long hours during the budget workshops. He praised the Finance Director Ms. Kou for doing a tremendous job in the finance department – said he was glad that she is here and told her to keep up the good work.

Mayor Hocking congratulated the businesses for their recognitions and also thanked staff for staying late during the budget workshops and thanked City Council for all their hard work. He sent condolences to City Attorney Ortegos' family who lost a member of their family very recently. He also thanked David Pennington for this presentation and work on the Clean City Commission.

(11) ADJOURNMENT

****Councilmember Trube moved to adjourn at 7:39 pm.**

Seconded by Councilmember Brown. Motion approved unanimously.

Staff Briefing:

- There have been citizen concerns about the need to protect citizens/children from vehicular traffic by prohibiting basketball goals on City rights-of-way and prohibiting playing basketball on City streets.
- At the City Council meeting on August 26, 2013, Ordinance O-2013-0010 passed on the first reading, with the following change:
 1. Changing (c) of the ordinance from ten (10) days to seventy-two (72) hours to remove the structures or devices from any street or public right-of-way.
- The vote was 4 to 1, with Councilmember Bell voting in opposition.

History (if applicable):

- Chief Aragon conducted research on various Texas municipal ordinances that prohibit such activities on ROW's and streets.
- A proposed ordinance was submitted to City Clerk Robin Eldridge for review and modification as necessary. A proposed ordinance was then developed and submitted to the City Attorney (Ellis Ortego) who made some revisions and then approved the current version. The current version was subsequently reviewed and approved by City Manager Carol Buttler.

Target Implementation:

RESOLUTION NO. **R-2013-0011**

WHEREAS, Local Government Code, Section 52.004, requires the selection each year of an official newspaper for the municipality (or county); and

WHEREAS, the law requires municipalities (or counties); to publish in the official newspaper, at significant expense, many required published notices, for certain meetings, hearings, ordinances, tax disclosures, public bid, and other required messages; and

WHEREAS, many municipalities (or counties) have invested substantial sums in developing the municipality's (or county's) own official website; and

WHEREAS, posting all of the same required notices for the official newspaper on the official website would provide a more efficient, less expensive, and well-organized means of publication of all required notices; and

WHEREAS, posting on the municipality's (or county's) official website allows the notices to be organized, and archived, for both current and historical information with electronic ease;

NOW, THEREFORE, BE IT RESOLVED by the delegates assembled at this 2013 Annual Conference of the Texas Municipal League (or TAC Annual Conference);

Section 1. The CITY OF LA MARQUE, TEXAS by and through its duly elected City Council, respectfully requests the Texas Municipal League (TAC) to "seek introduction and passage of" legislation that would allow municipalities the option of selecting either an official newspaper, or an official website, for the municipality's publication of official notices required by law.

Section 2. The CITY OF LA MARQUE, TEXAS respectfully submits to the Texas Municipal League (TAC) that adoption of changes to the statute will provide a savings to the tax payers of significant newspaper publication

fees, increased speed of publication, a single centralized source of all of the municipality's required notices, and less expensive and swifter access to such notices by not only the residents of the municipality, but anyone with internet access. The result is a far greater availability of the official notice of the municipality than a newspaper can provide.

MEMORANDUM

TO: TML Member Cities
TML Regional Officers
TML Affiliate Presidents

FROM: Bennett Sandlin, Executive Director

SUBJECT: Resolutions for the 2013 TML Annual Conference

06-27-13 P04:16 11
To: M/C C
R. Eldridge - orig.

In order to facilitate the development of policy, the TML Constitution provides a resolutions process that allows input from TML member cities, regions, and affiliates. It is through this process that issues most important to the cities of Texas are identified and decisions are made regarding the allocation of the League's legislative and administrative resources.

The TML Constitution states that resolutions for consideration at the Annual Conference must be submitted to the TML headquarters 45 calendar days prior to the first day of the Annual Conference. For 2013, this provision means that resolutions from any member city, TML region, or TML affiliate must arrive at the TML headquarters no later than **August 26, 2013**.

The TML Board of Directors has adopted several procedures governing the resolutions process. Please review the following items carefully and thoroughly.

1. No resolution can be considered by the TML Resolutions Committee unless it has prior approval of: (a) the governing body of a TML member city; (b) the governing body or membership of a TML affiliate; **or** (c) the membership of a TML region at a regional meeting.
2. TML member cities, regions, and affiliates that wish to submit a resolution **must** complete a resolution cover sheet. The cover sheet to be used is attached. Please feel free to make as many copies of this cover sheet as needed. The cover sheet must be attached to the resolution throughout each step of the resolutions process.
3. It is recommended that any resolution should state one of four categories of action to better direct League staff. Those categories are:

1821 Rutherford Lane, Suite 400, Austin, Texas 78754-5101
P 512-231-7400 • F 512-231-7490 • www.tml.org

- **Seek Introduction and Passage** means that the League will attempt to find a sponsor, will provide testimony, and will otherwise actively pursue passage. Bills in this category are known as “TML bills.”
- **Support** means the League will attempt to obtain passage of the initiative if it is introduced by a city or other entity.
- **Oppose.**
- **Take No Position.**

Please see the attached “Legislative Policy Development Process and Schedule” for more information.

4. Resolutions submitted will be thoroughly discussed at the TML Annual Conference. The Resolutions Committee is appointed by the TML President and is made up of city officials from TML member cities across the state.
5. The city or other entity that submits a resolution is encouraged to send a representative to the Resolutions Committee meeting to explain the resolution. The Resolutions Committee will meet at **2:00 p.m.** on **Tuesday, October 8, 2013**, at the **Austin Convention Center**.

If the procedures described above are not followed for any given resolution, that resolution is likely to be referred to some other TML committee for further study. In that case, the resolution would not be adopted during the 2013 conference.

You should also be aware that under the TML Constitution, resolutions received after the deadline of August 26, 2013, must not only have the attached cover sheet, but also must “state the reason precluding timely submission.” These late resolutions can be considered by the TML Resolutions Committee at the Annual Conference only if two-thirds of the Committee members present and voting agree to suspend the submission rule and consider the resolution.

Resolutions may be submitted by mail, fax, or by e-mail (resolutions@tml.org).

If you have any questions or would like any assistance, please call Bennett Sandlin, at any time – (512) 231-7400.

The Texas Municipal League's 2015/2016 Legislative Policy Development Process and Schedule

City officials across the state are well aware of the fact that many significant decisions affecting Texas cities are made by the Texas Legislature, not by municipal officials. Newly elected mayors and councilmembers quickly realize that cities are indeed "creatures of the state." This subservient position of cities in the state's intergovernmental system means that the legislature can address virtually any aspect of city government.

This fact is vividly demonstrated during each legislative session. For example, during the 2013 session, more than 6,000 bills or significant resolutions were introduced; almost 1,500 of them would have affected Texas cities in some substantial way. In the end, over 1,700 bills or resolutions passed and were signed into law; approximately 220 of them impacted cities in some way.

There is no reason to believe that the workload of the 2015 session will be any lighter; it may be greater. And for better or worse, city officials will have to live with all the laws that may be approved by the legislature. Thus, the League must make every effort to assure that detrimental bills are defeated and beneficial bills are passed.

The TML approach to the 2015 session will undoubtedly be guided by principles that spring from a deeply rooted TML legislative philosophy:

- The League will vigorously oppose any legislation that would erode the authority of Texas city officials to govern municipal affairs.
- Cities represent the level of government closest to the people. They bear primary responsibility for the provision of capital infrastructure and for ensuring our citizens' health and safety. Thus, cities must be assured of a predictable and sufficient level of revenue and must resist efforts to diminish that revenue.
- The League will oppose the imposition of any state mandates that do not provide for a commensurate level of compensation, and resist any attempts to require cities to raise money for the state (reverse intergovernmental aid).

Schedule

Throughout 2014, legislative policy committees will help TML prepare legislative positions. The League's legislative policy development schedule will be roughly as follows:

October 2013 – the 2013 TML Resolutions Committee will meet to consider resolutions. The recommendations of the Resolutions Committee will go forward for consideration by the TML membership on the final day of the 2013 Annual Conference at the annual business meeting.

January - February 2014 – the chairs, vice-chairs, board representatives, and members of the League's legislative policy committees will be appointed by the TML President.

May - June 2014 – the committees will meet for the first time.

June - July 2014 – any subcommittees appointed by the committees will meet.

August 2014 – the committees will combine to form the General Government Committee, at which time they will finish their topic-specific work and consider additional items.

September - October 2014 – the reports of the legislative policy committees will go forward to the 2014 TML Resolutions Committee for consideration. The recommendations of the Resolutions Committee will go forward for consideration by the TML membership on the final day of the 2014 Annual Conference at the annual business meeting.

December 2014 – the TML Board will finalize the League's 2015 legislative program based on resolutions passed in both 2013 and 2014.

Some Suggestions

As can be seen from the section above, the legislative policy committees provide the framework for the TML legislative policy development process. As an integral part of that committee process, you can significantly impact the outcome of the 2015 legislative session. As you undertake your committee work, you should keep in mind the following:

1. **There is a practical limit to what the League – or any group, for that matter – can accomplish in any legislative session.** It is obvious that all resources – human, financial, and political – are limited, and no group can hope to achieve all its legislative objectives. The most powerful interest groups in the state sometimes come away from a legislative session bruised and battered. On occasion, the best that can be expected is that no harm be done.
2. **TML will expend the vast majority of its resources killing bad bills.** This has always been so and will probably always be the case. At one point during the 2013 regular session, the League was monitoring more than 1,700 bills or resolutions, many of which were bad for cities. The League's legislative philosophy has traditionally been, first and foremost, to defeat bad legislation and, secondarily, to seek passage of beneficial legislation as time, resources, and political realities permit.

It is unlikely that any other interest group in the state monitors and opposes as many bills as does the Texas Municipal League. During recent legislative sessions, the League took steps to oppose bad legislation dealing with everything from annexation to zoning and from birth records to cemeteries. The breadth of the League's legislative focus becomes obvious each year when TML completes and submits its state-mandated lobbyist registration form. One schedule of the form asks which of 83 subject matters are of interest to TML. Of the 83, only four fall outside the League's areas of interest.

Unfortunately, the number of bad city-related bills grows almost every year. (Please see the chart below.) As a result, the League has been forced to expend an ever-greater percentage of its resources simply fending off bad ideas.

<u>Year</u>	<u>Total Bills Introduced *</u>	<u>Total Bills Passed</u>	<u>City-Related Bills Introduced</u>	<u>City-Related Bills Passed</u>
2001	5,712	1,621	1,200+	150+
2003	5,754	1,403	1,200+	110+
2005	5,369	1,397	1,200+	105+
2007	6,374	1,495	1,200+	120+
2009	7,609	1,468	1,500+	120+
2011	6,303	1,410	1,500+	160+
2013	6,061	1,437	1,700+	220+

* Includes bills and proposed Constitutional amendments; regular session only.

3. Given the League's finite resources, and because vast amounts of those resources are necessarily expended in defeating bad legislation, the League must very carefully select bills that it will support or for which it will attempt to seek passage. A sharply focused legislative program is more likely to lead to success than is a very large and wide-ranging program. In addition, supporting a bill that has a low probability of passage requires a large amount of time and political resources that can be used more productively in other ways. Thus, it is important to advocate only those initiatives that are truly important and that have a realistic chance of passage.
4. How can the committee identify initiatives that are truly significant and that merit a place in the TML legislative program? Committee members may wish to ask the following questions about each discussion item:
 - ♦ Does the initiative have wide applicability to a broad range of cities of various sizes (both large and small) and in various parts of the state?

- ◆ Does the initiative address a core municipal issue, such as erosion of local control and preservation or enhancement of municipal revenue?
- ◆ Will the initiative be vigorously opposed by strong interest groups and, if so, will member cities commit to contributing the time and effort necessary to overcome that opposition?
- ◆ Is this initiative, when compared to others, important enough to be part of TML's list of priorities?
- ◆ Is this initiative one that city officials, more than any other group, should and do care about?

The foregoing suggestions are not meant to imply that TML can't pass good, solid legislation. It can, it has in the past, and it will again. The suggestions are meant merely to emphasize the fact that any group, to succeed, must use its resources and its political strength wisely and selectively.

Categories

Submissions should reflect one of four categories that will direct League staff. Keep in mind that there is a difference between "seek introduction and passage" and "support."

- **Seek Introduction and Passage** means that the League can attempt to find a sponsor, will provide testimony, and will otherwise actively pursue passage. Bills in this category are known as "TML bills." **These bills require an enormous amount of time and resources, and the committee should be very cautious about putting items in this category.**
- **Support** means the League will attempt to obtain passage of the initiative if it is introduced by some other entity. **League staff will, based upon the foregoing principles and its intimate knowledge of the legislature, determine the amount of time and resources devoted to an item in this category.**

With very few exceptions, any item that makes its way into the 2015/2016 TML Legislative Program should be couched in the two terms described above or by recommending that TML "**oppose**" or "**take no position**" on an issue.

Staff Briefing:

On 10-22-12 Dylan Cruz Jaramillo (8 years of age) was riding his electric scooter northbound on Houston Drive West. He did not stop at the stop sign at the intersection of Fannin Street and Houston Drive West. A vehicle traveling westbound on Fannin Street entered the intersection and struck Dylan Jaramillo who was a fatality.

History (if applicable): The driver had the right-of-way (and was not charged); Fannin Street does not have stop signs at this intersection. No other crash data is on file at this location; however, the potential of a reoccurrence (and echoed by the child's family) it is recommended that this be developed into a four-way stop sign intersection.

*City Staff (Public Works Director Mike Morgan) has conducted research for development of this intersection as a four way stop intersection and would be applicable.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LA MARQUE, TEXAS, AMENDING THE CODE OF ORDINANCES OF THE CITY OF LA MARQUE, TEXAS, CHAPTER 62, TRAFFIC AND MOTOR VEHICLES, ARTICLE II, OPERATION OF VEHICLES GENERALLY, SEC. 62-21, STOP INTERSECTIONS- DESIGNATION TO BRING CURRENT THE DESIGNATION AND DECLARATION OF STOP INTERSECTIONS FOR VEHICULAR TRAFFIC IN THE CITY OF LA MARQUE, TEXAS, AND PROVIDING A SEVERABILITY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LA MARQUE, TEXAS:

SECTION ONE:

That Article II, Operation of Vehicles Generally, Sec. 62-21, Stop Intersection – Designation, of the Code of Ordinances of the City of La Marque, Texas, is hereby amended to read as follows:

“Section 62-21. Stop Intersections-Designation

The public street intersections listed on Exhibit “A” attached hereto are hereby designated and declared to be stop intersections for vehicular traffic moving in the direction indicated for each of such stop intersections. Such exhibit is incorporated for all purposes as if written wholly herein but shall be designated as “Appendix B Stop Signs” of this Code.”

SECTION TWO:

It is hereby declared to be the intention of the City Council that the above section, paragraph, sentences, clauses and phrases of this ordinance are severable and, if any phrase, clause, sentence, paragraph or section of this ordinance shall be declared unconstitutional by a valid judgment or decree of any court of competent jurisdiction, such constitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this ordinance, since the same would have been enacted by the City Council without the incorporation in this Ordinance of any such unconstitutional phrase, clause, sentence, paragraph or section.

PASSED AND APPROVED by the City Council of the City of La Marque, Texas on the first reading this the _____ day of _____, 2013.

PASSED AND APPROVED by the City Council of the City of La Marque, Texas on the second and last reading this the _____ day of _____, 2013.

Staff's Recommended Motion: Motion to approve a Write-off Policy for utility billing and liens revenue per fiscal year 2012, as per audit recommendation.

Fiscal Impact: N/A

UTILITY BILLING AND LIENS WRITE OFF POLICY

Utility revenues:

All delinquent accounts exceeding 30 days shall be reviewed and written off annually to ensure accuracy in financial reporting and to comply with General Accepted Accounting Principles (GAAP) guidelines.

If payment is received after a delinquent account has been written off, the payment shall be recognized as revenue in the fiscal year of receipt.

Liens, Mowing, and Demolition revenues:

All liens filed shall be recognized as revenues at time of payment. Detailed records shall be kept on all liens filed until they are released by payments or other legal means.

Cause

The City and Corporation have not established formal procedures to reconcile balance sheet accounts to detailed subsidiary ledgers.

Recommendation

The City and Corporation should establish procedures in which management reviews and reconciles all detailed ledgers to the general ledger accounts. The City should also provide staff with adequate training and oversight to ensure the proper recording of transactions.

Corrective Action Plan

Management shall train staff on general accounting principles and monthly reconciliations of various accounts to ensure accurate recording of financials.

2012-8. DELINQUENT ACCOUNTS

Criteria

The City is responsible for ensuring they are reporting all activity of the City in accordance with generally accepted accounting principles.

Condition

It was noted that reviews of delinquent receivables related to utility billing and mowing/demolition are not being performed. As a result, the City has not established a method for the reasonable estimation of allowance for doubtful accounts. The City has not written off delinquent account balances in many years.

Effect

The lack of review procedures and proper reporting could lead to the overstatement of assets and revenues.

Cause

The City has not determined and written off delinquent accounts that are deemed uncollectible.

Recommendation

The City should identify a reasonable estimate for the allowance for doubtful accounts based on the historical collections. The City should also determine which delinquent accounts they deem uncollectible and write those off.

Corrective Action Plan

The City shall establish a policy for the recognition of uncollectible delinquent balances and perform write off procedures annually.

Staff's Recommended Motion: Motion to approve Grant Administration Policy per fiscal year 2012, as per audit recommendation.

Fiscal Impact: N/A

GRANTS ADMINISTRATION POLICY

The City will seek, apply for, and effectively administer federal, state and local grants, which support the City's current priorities and policy objectives. The City should take advantage of opportunities to enhance service delivery through intergovernmental cooperation, shared revenues, and grants.

A. Grant Guidelines

1. The City shall apply and facilitate the application for only those grants that are consistent with the objectives and high priorities identified by Council and management.
2. Grant funding will be considered to leverage City funds. Inconsistent and/or fluctuating grants should not be used to fund ongoing programs and services.
3. The potential for incurring ongoing costs, to include assumptions of support for grant-funded positions from local revenues, will be considered prior to applying for a grant.

B. Grant Review Process

1. A uniform grants pre-application process will be utilized to assure the City has all the information necessary to make a decision regarding a potential grant. Information to be provided should include but not be limited to:
 - a. The grant being pursued and the use to which it would be placed
 - b. The objectives or goals of the City which will be achieved through the use of the grant.
 - c. The local match required, if any, plus the source of the local match
 - d. The increased cost to be locally funded upon termination of the grant
2. All grant agreements will be reviewed by City Manager, Department Director, Finance, and Legal to ensure compliance with state, federal, and City regulations.
3. The City Manager shall recommend all grant submissions to City Council who shall approve all grant applications and acceptances.
4. City Manager and Finance shall be notified of all grant awards.

C. Budgeting for Grant Expenditures

Annually via the budget process, departments will submit for possible funding, known grant opportunities. These grant opportunities will be prioritized and ranked along with all other supplemental requests. If approved, the expenditure and associated revenue will be appropriated in the Grant Fund. If there are grant opportunities that arise during the year and are received by the City, the budget will be amended via the projections, if the City can fund the local match required.

D. Grant Termination and/or Reduced Grant Funding

1. In the event of reduced grant funding, City resources will be substituted only after all program priorities and alternatives are considered during the budget process, unless the City is obligated through the terms of the grant to maintain the positions, services, or equipment.
2. The City shall terminate grant-funded programs and associated positions when grant funds are no longer available, and it is determined that the program no longer supports City goals and/or is no longer in the best interest of the City, unless the City has obligated itself through the terms of the grant to maintain the positions, services, or equipment.

E. Violations - Failure to follow approved policy of grants administration may lead to corrective action up to and including discharge from employment.

Condition

It was noted during the audit that the City failed to accrue a material transaction related to construction services provided for the CDBG disaster recovery program.

Effect

Weak controls can increase the risk of financial misstatements and the misappropriation of assets.

Cause

The City failed to identify all invoices subsequent to year end that should have been accrued.

Recommendation

The City should ensure that policies and procedures are being followed to ensure that all accruals are being recognized.

Corrective Action Plan

The accounts payable staff has been trained to properly recognize year-end expenditure accruals.

2012-3. GRANT ADMINISTRATION

Criteria

The City is responsible for administering and satisfying the compliance requirements associated with grants that is has been awarded and accepted.

Condition

A schedule of expenditures of federal awards could not be produced by the City within a reasonable period of time. The City also failed to recognize the Section 8 grant expenditures.

Effect

The lack of a centralized grant administrator and a grant policy could lead to the noncompliance with grant requirements and inadequate reporting.

Cause

The City has not adopted a grant policy or established a centralized grant administration function. It was noted during the audit that the City does not have a policy for the tracking and recording of grants.

Recommendation

The City should establish a policy for the tracking and recording of grants. The City should assign an individual as the grant administrator. All grant related activity should be reported to this individual. The grant administrator should track and maintain records of all grant related activity and correspondence with granting agencies. This individual should be alerted by department heads whenever a new grant is

awarded. The grant administrator should be responsible for the preparation of the schedule of expenditures of federal awards.

Corrective Action Plan

City staff shall establish open communication with outside agencies such as HUD Section 8. In addition, once a centralized grant administrator for the City is assigned to oversee an already established grant administration team, a standard grant policy shall be established to enhance the administration flows within City departments and among multiple agencies.

2012-4. FUND CLASSIFICATION

Criteria

Governmental Accounting Standards Board defines fund types to be used for financial reporting purposes of government entities in accordance with generally accepted accounting principles. Enterprise funds may be used to report any activity for which a fee is charged to external users for goods or services. In certain instances, the use of an enterprise fund is required.

Special revenue funds are used to account for proceeds of specific revenue sources that are legally restricted or committed to expenditures for specified purposes.

Condition

The CDBG sewer improvement program fund and the CDBG disaster recovery program fund have been recorded as enterprise funds in prior years. The activity accounted for in these funds do not fit the definition of an enterprise fund. Prior period adjustments were posted in the course of the audit to recognize these funds as special revenue funds.

Effect

The reporting of a fund within a classification that does not match the primary intent and type of activity accounted for may lead to reporting errors and misrepresentations of the funds' purpose.

Cause

The City recognized two funds as enterprise funds that meet the definition of a special revenue fund.

Recommendation

The City should establish procedures to ensure that when new funds are created, they are appropriately classified for financial reporting purposes.

Corrective Action Plan

All activities shall be posted to appropriate funds matching with their proper definitions as classified for financial reporting purposes.

CITY OF LA MARQUE INTER-DEPARTMENTAL COMMUNICATION

**To act in the best interest of the City
To consistently demonstrate respect to Staff
To invest our resources effectively for our future
To handle our disagreements/conflicts in a
Respectful manner that keeps our Image
Positive with the public and each other**

TO: Honorable Mayor Hocking and City Councilmembers
FROM: Carol Buttler, City Manager
DATE: September 9, 2013
SUBJECT: City Manager Report – August 2013

a. City Manager

- Continue to meet with Associations on Fire & Police Collective Bargaining
- Increased Staff Meetings
- TWIA Meeting
- Met with Department Heads on agenda items.
- Meetings with City Councilmembers
- Attended and provided an opening/welcome commentary at the “LMISD Annual Back to School Convocation Event” at the LMHS.
- Assisted with Rotary Golf Tournament – money is contributed to Scholarships for college bound students in Galveston County.

b. Police

- **Personnel:**

- **LMPD:**

- There are five (5) Police Officer vacancies. An entry-level Civil Service Examination will be conducted on October 10, 2013. Currently three (3) candidates have been interviewed and have progressed to background investigation stage.

- Lieutenant Greg Gilchrist (*Field Operations Bureau Commander*) retired on August 30, 2013. A Lieutenant promotional examination will be conducted on November 12, 2013.

- **Training:**

- **LMPD:**

- The following personnel attended and completed training courses as indicated: Community Policing Officers David Hunter, Domingo Montanez, and Harvey Walton: *Mandated State and Federal Law Update Course*; Sergeant Kenneth Cagnon: *Hiring and Background Investigation Course*. On 8-29-13 Chief Aragon attended Legislative Affairs Update Luncheon at the Doyle Center.

- **Operations:**

- **LMPD:**

Final planning and preparation is underway to provide law enforcement and security in support of Bayou Fest (October 19, 2013). On 8-20-13 Chief Aragon and City Manager Carol Buttler were invited to attend and provide opening/welcome commentary at the “LMISD Annual Back to School Convocation Event” at the LMHS.

- Overtime Justification Summary for Preceding Month: shortage of Patrol Officers.
- **Emergency Management Coordinator (EMC) Operations:**
EMC/Chief Randall Aragon, Charlene Warren, and Mike Morgan attended a four (4) hour training *webinar* on *Debris & Debris Management Documentation* on 8-21-13. This training was sponsored by Houston/Galveston Area Council (H-GAC). Besides information received attendees discussed a great deal of coordination issues (regarding EM operations) which was fruitful.

c. Fire

- **Personnel:**
There are two (2) Firefighter vacancies created by the resignations of Michael Goff and Frank Adams. The positions are posted on the Texas Municipal League website and Texas Commission on Fire Protection, COM Fire Academy and San Jacinto Fire Academy. Application period will close 09-09-2013.
Closing date for applications for Fire Chief was August 16, 2013.
- **Operations:**
Medic 2 was placed in service on Friday, August 23, 2013, contingent upon daily staffing levels.
Medic 1 was subjected to an unannounced inspection by the Department of State Health Services (DSHS) on 08/27/13. The unit was inspected for deficiencies on supplies, medications, equipment, and appropriate personnel certifications in accordance with state licensure regulations. The department passed the inspection without exceptions.
ISO (Insurance Services Office) will commence a review and inspection of La Marque’s fire protection capabilities on September 11, 2013, to establish a “Public Fire Protection” classification for the City of La Marque.
Statistical information enclosed.
- **Overtime Utilization:**
Year to date: \$106,360.24 – Justification: Required to maintain minimum staffing levels.
August 2013: 2,380.27
- **Other:**
RFP for EMS Billing issued on July 19, 2013. Closing date for receipt of proposals was August 20, 2013.
Bids for Fire Apparatus Repairs and Preventive Maintenance issued August 9, 2013. Closing date for receipt of bids is August 30, 2013.

d. Public Works

- **CDBG Projects**
CDBG Round 2.1 Disaster Project
Waterline Interconnect - TCH Construction is in the process of flushing and chlorinating the lines installed to date to verify clear of bacteria. Once the results are determined to be negative the line will be placed in service. Next, the contractor will install new service lines for local residents. Additionally, they have established their traffic control plans and equipment for the bore under IH-45.
The sewer line project – Rehabilitation specifications were approved for the 24” line. The legal notice was published in the Galveston County Daily newspaper on August 21st & 28th, a mandatory pre-bid meeting on September 11th and opening bids on September 18th with Council approval on October 14th.

Schedule for Round 2.1	Advertise	Bid Opening	Award	Construction Start	Construction Finish
Waterline Interconnect	3/12/2013	4/2/2013	5/13/2013	June 2013	12/31/2013
Sewer Line Improvements	8/21/2013 8/28/2013	Tentative 9/18/2013	Tentative 10/14//2013	Tentative December 2013	Federal deadline for completion Feb. 2014

- **CDBG Round 2.2 Disaster Project**

The environmental review was conducted on August 2nd. Participating parties included staff, project engineer and environmental assessment representative. The field information collected will be compiled into an environmental record for the 2.2 projects. At this time, we are on schedule with the project.

Schedule for Round 2.2	Advertise	Bid Opening	Award	Construction Start	Construction Finish
Water Facilities	9/24/2013	10/17/2013	11/6/2013	12/4/2013	10/9/2014
Sewer Facilities	9/24/2013	10/17/2013	11/6/2013	12/4/2013	10/9/2014
Street Improvements	9/24/2013	10/17/2013	11/6/2013	12/4/2013	10/9/2014

- **CDBG Non-Disaster Sewer Grant**

Pre-construction meeting was held on August 30th. The contract will start September 9th and will be substantially complete by January 7, 2014. Project engineer is binding the original signed contracts to be filed in the City Clerk's office.

- **Hall's Super Highway Development 3600 Gulf Freeway** – City staff conducted a review of his civil engineering plans. Staff made recommendations to the project engineer to reverse the location of water and sewer lines. Additionally, the civil plans indicated water and sewer infrastructure locations on private property; these lines need to be reviewed by Developmental Services.
- **Sewer Force Main** – Staff met with Cobb Fendley on August 23rd. Cobb Fendley went out and did a site survey of the location. The engineering firm has developed a scope of services agreement for designing, bid phase and construction the project. This was received by Public Works staff on August 29th. The total proposed engineering cost is 38% higher than originally proposed to Council due to complexity of the bore across multiple jurisdictions.
- **Family Dollar** – During the first week of August, the contractor broke ground. Construction has been moving forward throughout the month. On August 21st, staff conducted a stormwater pollution prevention inspection. Within the inspection, a few problems were noted. E-mails were forwarded to the project engineer and corrections were made within 24 hours. On August 29th, staff inspected the placement of reinforced concrete drain pipes, re-barb matting and the pouring of concrete for the Byrd Street driveway entrance.
- **Dalian Street Repairs** – City staff solicited for price quotes and has prepared a PO for approval to move forward. The subcontractor will be overlaying the previously excavated road sections with asphalt.

Stage 2 Drought – Since the implementation of Stage 2 requirements, City staff started supplementing well water to help offset the surface water use to meet the 10% reduction imposed by Gulf Coast Water Authority.

The Utility Department is experiencing frequent water leaks which have run the total combined surface and well water above the 100% mark twenty-one (21) out of the last twenty-nine (29) days.

With this supplement of well water we have achieved the 10% reduction twenty-one (21) out of the last twenty-nine (29) days.

City staff is providing daily water consumption readings to Gulf Coast Water Authority as requested. The water authority is requesting to maintain Stage 2 Drought Contingency requirements at this time. Even though we have been receiving rain in the county, the river is still experiencing drought conditions.

- **August 1- 30, 2013 Water Usage Amounts**

30 day average was 2.82 million gallons a day- 102% of capacity

Peak day usage was 3.50 million gallons a day- 126% of capacity

Minimum day usage was 2.28 million gallons a day- 82% of capacity

SUMMARY OF INCIDENT (Specifically address the type of defensive action used):

Writer had arrested a subject for ACBI FV who was under the influence of alcohol. During the booking process, the subject was verbally combative towards officer's while retrieving his property. The subject was placed back inside the holding cell and the subject told Sgt. Cravens, "Put me on suicide watch, I am suicidal". Due to the comments, writer advised the subject that he needed to hand over his clothing so that he would not attempt to hang himself. The subject removed his shorts and tossed them at officers. Once the subject removed his shorts, he took an aggressive stance and told officer's to come get them. As writer attempted to gain control of the subject to place him in handcuffs, the subject actively resisted arrest. The subject kicked at writer and then attempted to strike Sgt. Cravens. Writer struck the subject with two closed hand strikes to the facial area. The strikes did not effect the subject and then writer deployed his taser.

Explain why it was necessary to use defensive action specified above:

The subject was actively resisting arrest and he posed a threat to officers due to his behavior.

Explain why defensive action used was reasonable:

The subject actively resisted arrest and placed Officer's in harm of being injured. Soft and hard empty hand control techniques were utilized first and it showed no effect. The taser was deployed and the subject came into compliance. The purpose of the taser is to gain compliance through the use of electrical current.

Explain consequences (injury, damage, etc.) that resulted from the use of defensive action:

The subject sustained two small puncture wounds to the left torso. The wounds were sustained by the two prong probes.

Post Care Action Performed by Reporting Officer:

The two prongs were removed and the wounds were cleaned with peroxide by LM EMS. The subject did not sustain injuries from the two closed hand strikes.

If subject was not injured, document observations and/or any statements made by suspect, that indicate subject was not injured:

SUMMARY OF INCIDENT (Specifically address the type of defensive action used):

_____ who had been arrested was being held in the LMPD jail holding cell #2. _____ began telling officers he needed to be on suicide watch. This officer and Officer M. Kelemen opened the cell door and ordered _____ to remove his shirt. _____ was ordered by Officer M. Kelemen to remove his pants and _____ squared himself and said "that's all I'm taking off, come get the rest" Officer M. Kelemen and this officer entered the cell and grabbed _____ by both arms to restrain him for officers safety while his clothing was removed. _____ refused to comply with the commands and began to pull against this officer and Officer M. Kelemen. _____ was taken to the ground as he continued to resist officers efforts to control him. _____ during the struggle attempted to strike Sgt. Cravens who had come to assist. This officer yelled taser and Officer M. Kelemen deployed ~~to~~ one cartridge to _____'s left side. _____ immediately complied from that point on.

Explain why it was necessary to use defensive action specified above:

Inmates accusation of suicidal intentions required his clothing be removed for inmates safety as per jail policy. Inmates refusal to follow verbal commands and resistance to this officers attempts to control the inmate.

Explain why defensive action used was reasonable:

Verbal commands were issued first, followed by hand restraint methods, followed by taser deployment escalation of force to effect control as [REDACTED] continued to resist.

Explain consequences (injury, damage, etc.) that resulted from the use of defensive action:
[REDACTED] received two punctures to his left side from the taser probes.

Post Care Action Performed by Reporting Officer:

LMFD First Responders removed the probes and provided first aid for the puncture wounds.

If subject was not injured, document observations and/or any statements made by suspect, that indicate subject was not injured:

LIBRARY DEPARTMENT

La Marque Public Library

Report for August 1st-August 29th

Mission: The LMPL provides materials and services to help community residents obtain information to meet their needs: personally, educationally, and professionally. Special emphasis is placed on supporting students at all academic levels to stimulate the minds of young children in reading and learning. "The Library serves as a learning and educational center for all residents of the community." (ALA Planning and Role Setting for Public Libraries, 43)

The LMPL is open to the public 30 hours a week. We had a total of 2736 visitors in the Library.

Our top 200 members checked out a total of 1149 items!

This month alone, patrons have saved a total of \$25,069.73 by checking out items at the LMPL!

Items

LMPL staff processed and added a total of 229 items to our collection.

Circulation Statistics

We had a total of 1684 items circulate this month! Based on our circulation stat, Tuesday was our busiest day of the week.

Currently we have a total of 468 items checked out that are not overdue items.

We had a total of 15 ILLs (Interlibrary Loans-Shipped and Received).

Online Catalog Usage

There were 872 external searches performed via our online library catalog (Biblionix).

Computer Usage

Current LMPL patrons are allotted 2, 1 hour sessions based on availability. Library visitors who are not current patrons are allotted a 30 minute session at our stand up computers, based on availability.

Guest log ins are issued to community members and visitors who do not have an active library card. All library visitors that do not have a library card have to show proof of ID to use guest computers. We urge all library visitors to obtain a library card for future usage.

There were a total of 364 patron log in sessions. Total computer time used by patrons was 210 hours.

Patrons use the library computers for job searches, completing applications, creating resumes, checking emails, accessing various documents (bank statements, tax info, W2 forms, pay checks, etc), and surfing the web.

Reference Assistance

The LMPL staff provides reference assistance to our patrons by answering a variety of questions. We answered a recorded 1195 questions. Reference questions range from “how do I get a library card” to “where can I locate divorce or tax forms”. We are currently researching a system that will record every reference question in categories.

Volunteers

We had 4 adult volunteers and 1 teen volunteer for regular library volunteering duties. Our volunteers worked at total of 57 hours.

Training/Professional Development

The Library Director completed Overdrive: Staff training-Part 1 on August 12th.

The Library Director attended a webinar, "Going First: More from the Edge Pilot Libraries on August 21st.

Programs/Outreach

We currently have a Life Skills Program in session which runs from June 10th-August 20th. We have a total of 10 programs with 20 participants (including teachers and attendees) with a total of 110 hours.

The Life Skills Program consists of courses on job skills, computer skills, financial management, and life enhancement.

Meetings Attended

The LMPL Staff has a staff meeting the last Friday of each month.

Library Director did not attend the Lions Club Meeting due to staffing shortage.

Library Director attended Budget Workshop on August 7th and 8th.

Library Director attended the Galveston County Library System on August 14th.

Mandatory Library Staff Meeting on August 16th.

Library Director attended Special Budget Workshop Meeting on August 19th.

Library Director attended the Staff Meeting on August 28th.

Other Services Provided

- Printing
- Faxing
- Copying
- CD/DVD Restoration (in planning stage to provide this service for additional city revenue)
- Laminating

Library Happenings

- Book Buddies from the United Way-Galveston County Mainland donated to the La Marque Public Library to encourage reading in young children through audio.
 - o The Book Buddies Program involves collecting used books, having volunteers record themselves reading the book onto mp3 players, and then packing the mp3 player with 20-30 books into a kit. The kits would then be donated to local libraries, head-start programs, and other children's programs.
 - o In a county-wide collaboration of high school students, this program grew by leaps and bounds when the United Way Galveston County Mainland Youth Advisory Board adopted the idea for their first project. Each member of the UWGCM Youth Advisory Board collected books from their communities through book drives. Sonya Hernandez, TCISD class of 2013, collected more than 14 boxes of books from her school through the various clubs, like Interact
- The library has added a link to Texshare Databases to our website
- The Library is working on getting Overdrive which will allow the library to lend eBooks, audiobooks, music and video to your users with a digital lending library from OverDrive
- The Library is working on a complete calendar for September which will include several adult computer programs, story time, open house and an author signing
- The Library is continually working on enhancing our website, facebook page and email marketing to reach our patrons and the community
